

WINGS '84

MIKE

Let's Celebrate Ten Perfect Years!

This year Lake Howell celebrates its tenth anniversary, and the yearbook staff is proud to have had the honor of producing this very special edition of *WINGS*.

Our theme this year is: A Perfect Ten. The selection of this theme is based on the belief that the students, faculty, and administration at Lake Howell have always strived for perfection — not only in academics and athletics, but in the creation of lasting friendships as well. For the past ten years Lake Howell has been our home — a place to learn, a place to share good times, and a place to meet people we will remember for years to come.

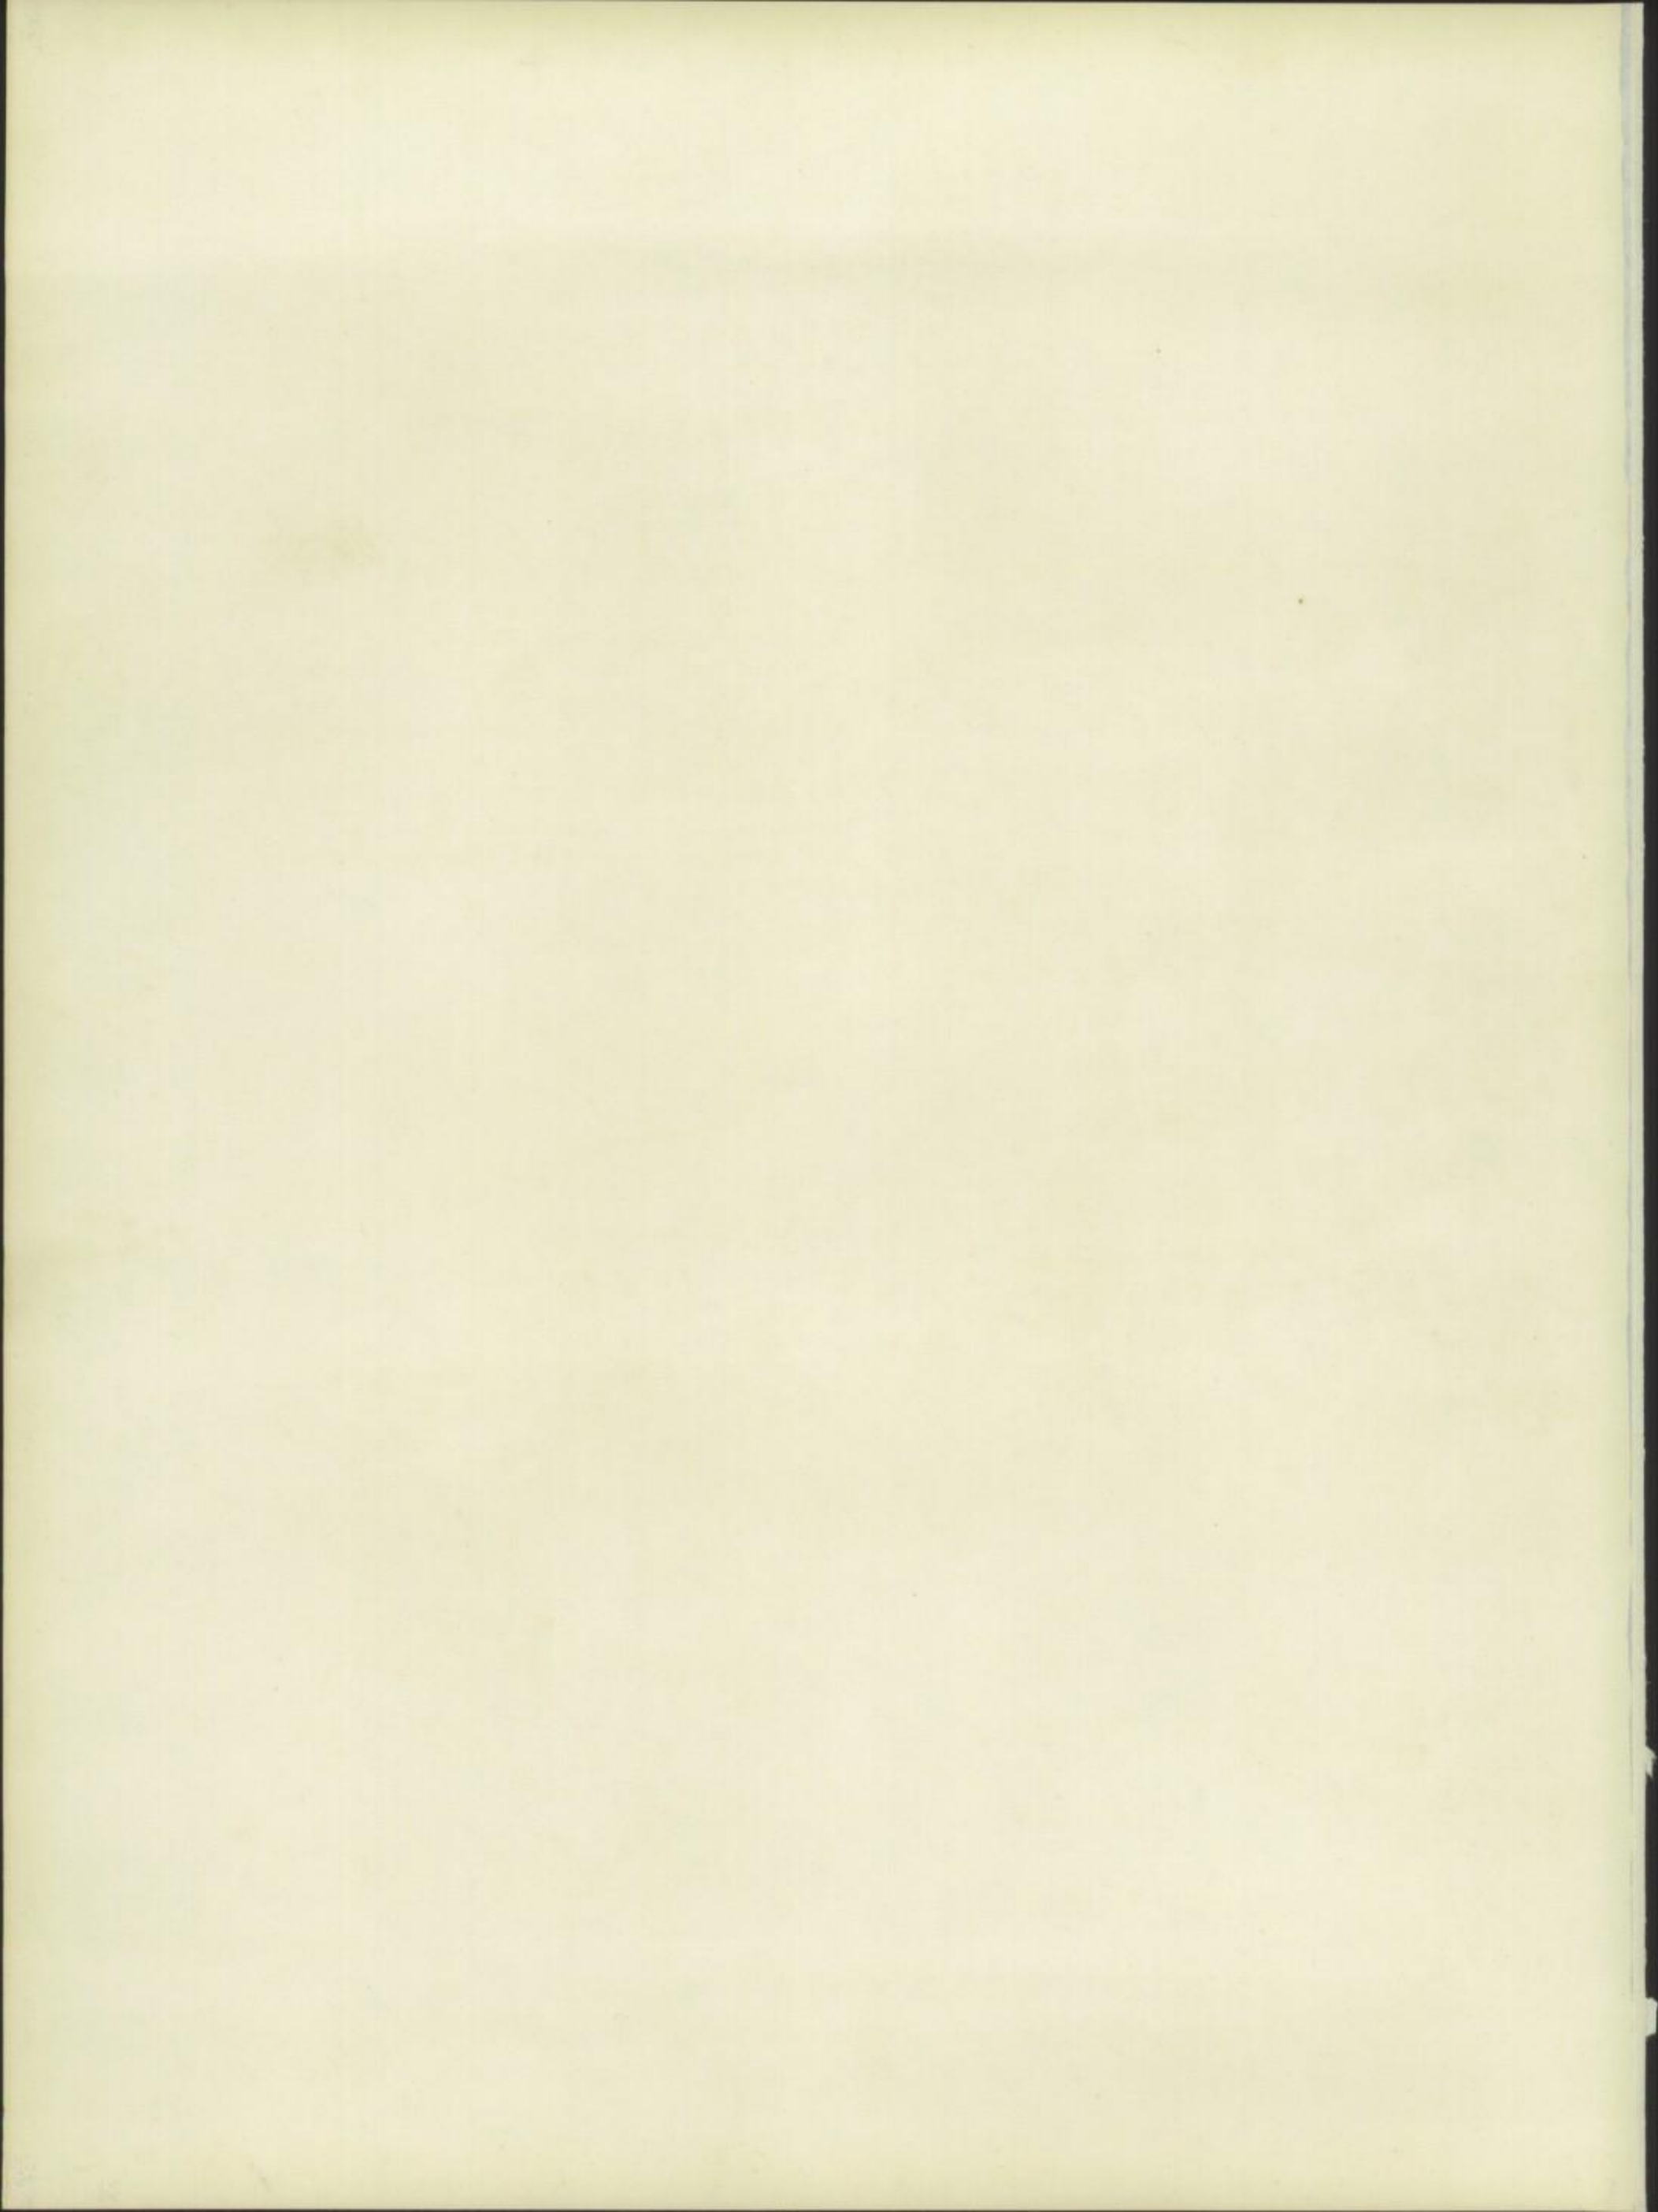

Happy anniversary Lake Howell — this one's for you!!!

SENIORS

What does it take to be a member of the class of '84? You have to be fun-loving . . . outrageous . . . intelligent . . . spirited . . . unpredictable . . . loyal . . . outgoing . . . creative . . . beautiful . . . and full of pride. Possessing all of these qualities makes the outstanding senior class of 1984 "a perfect 10!"

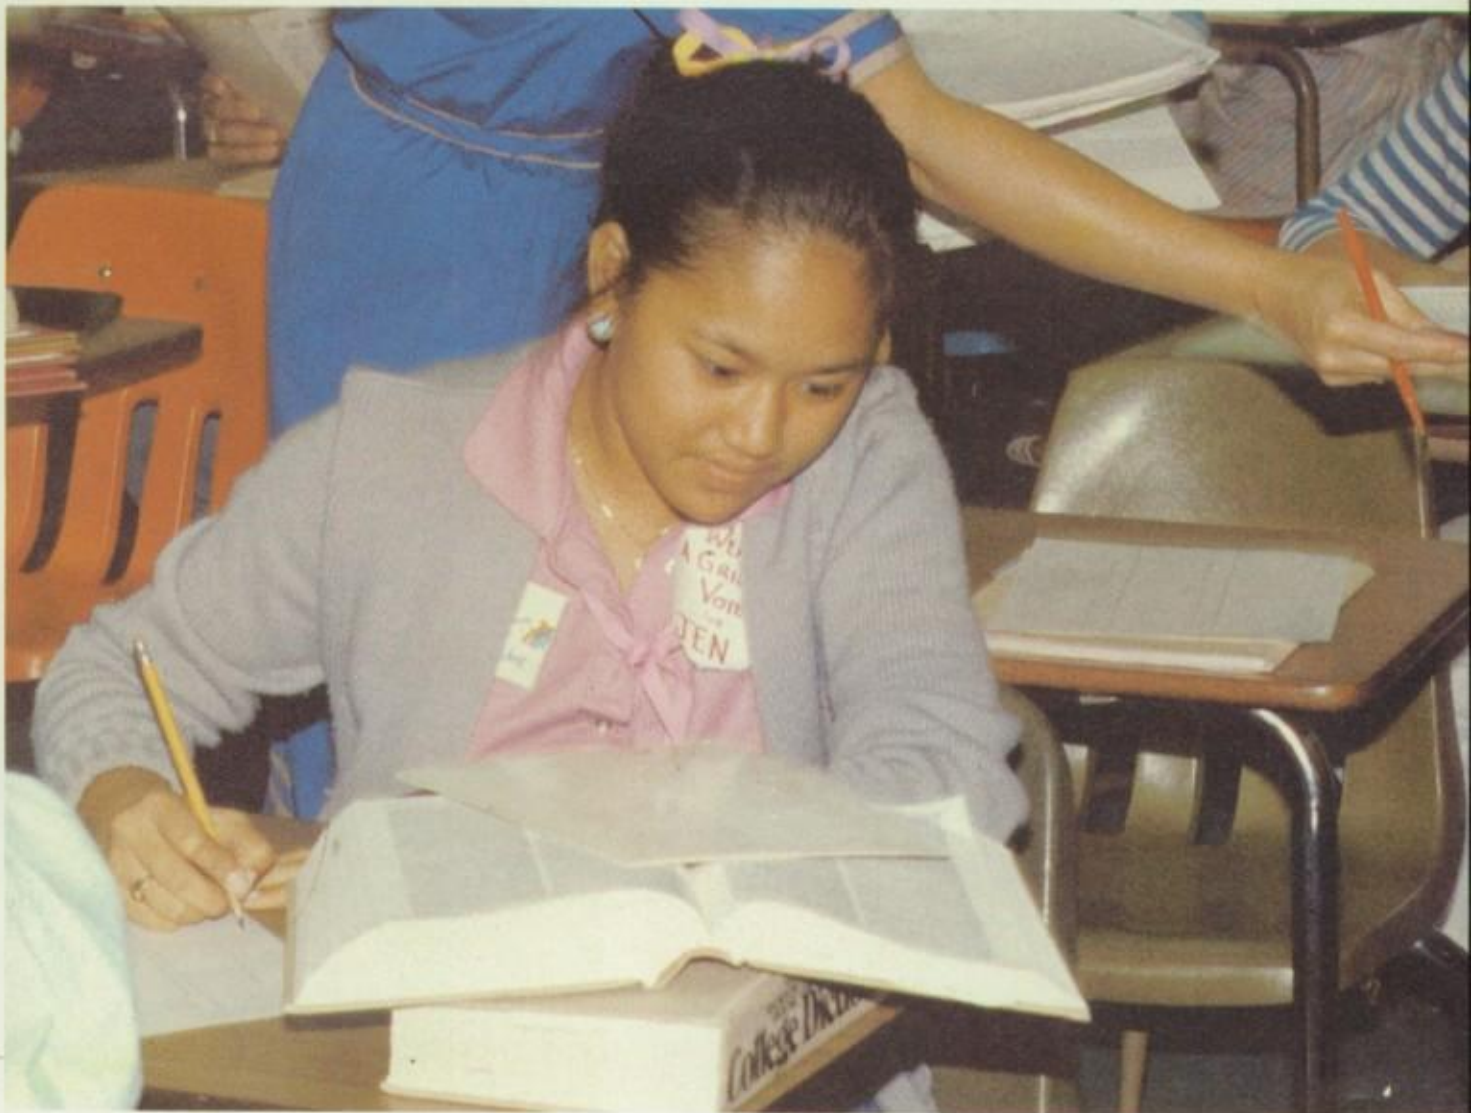

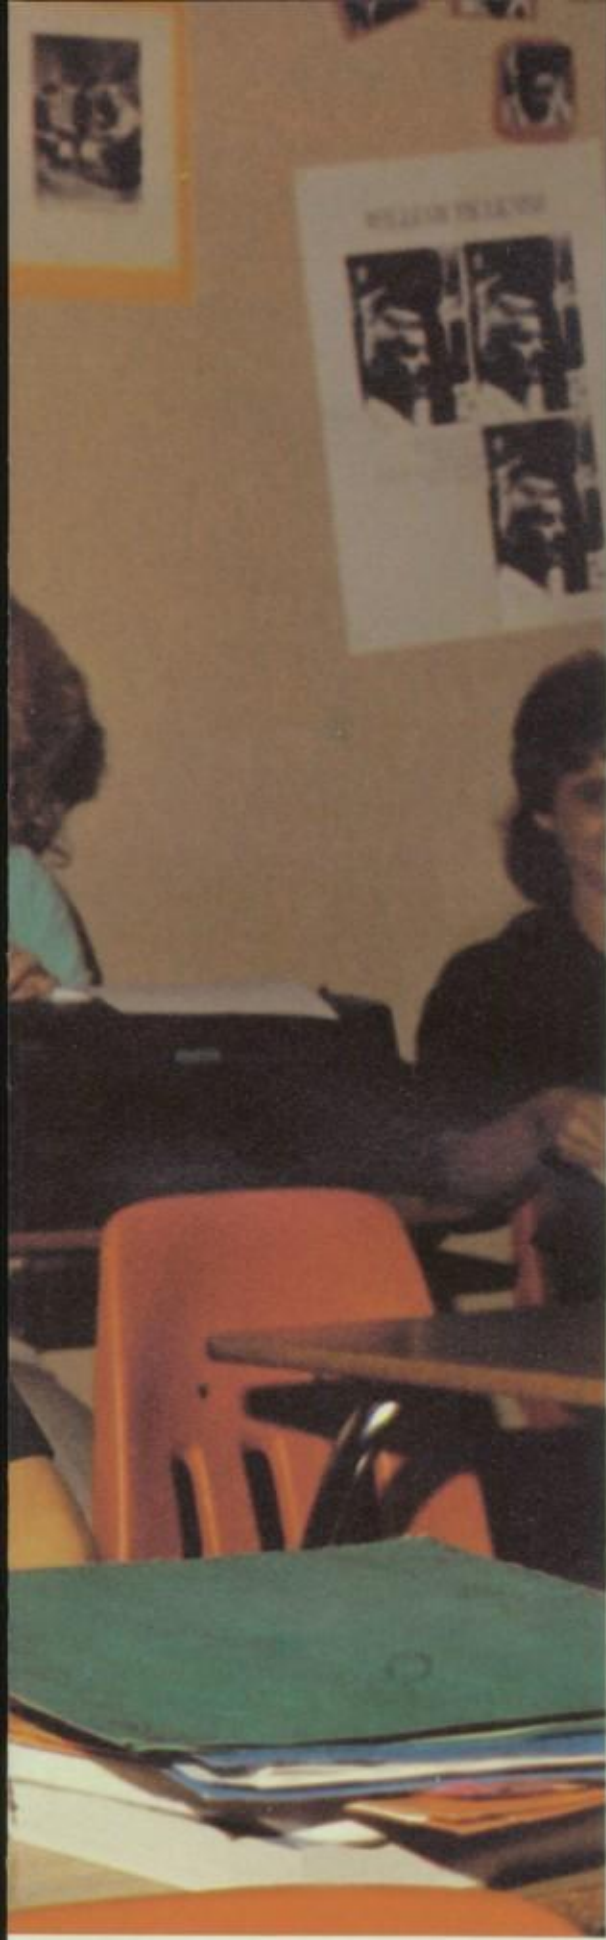

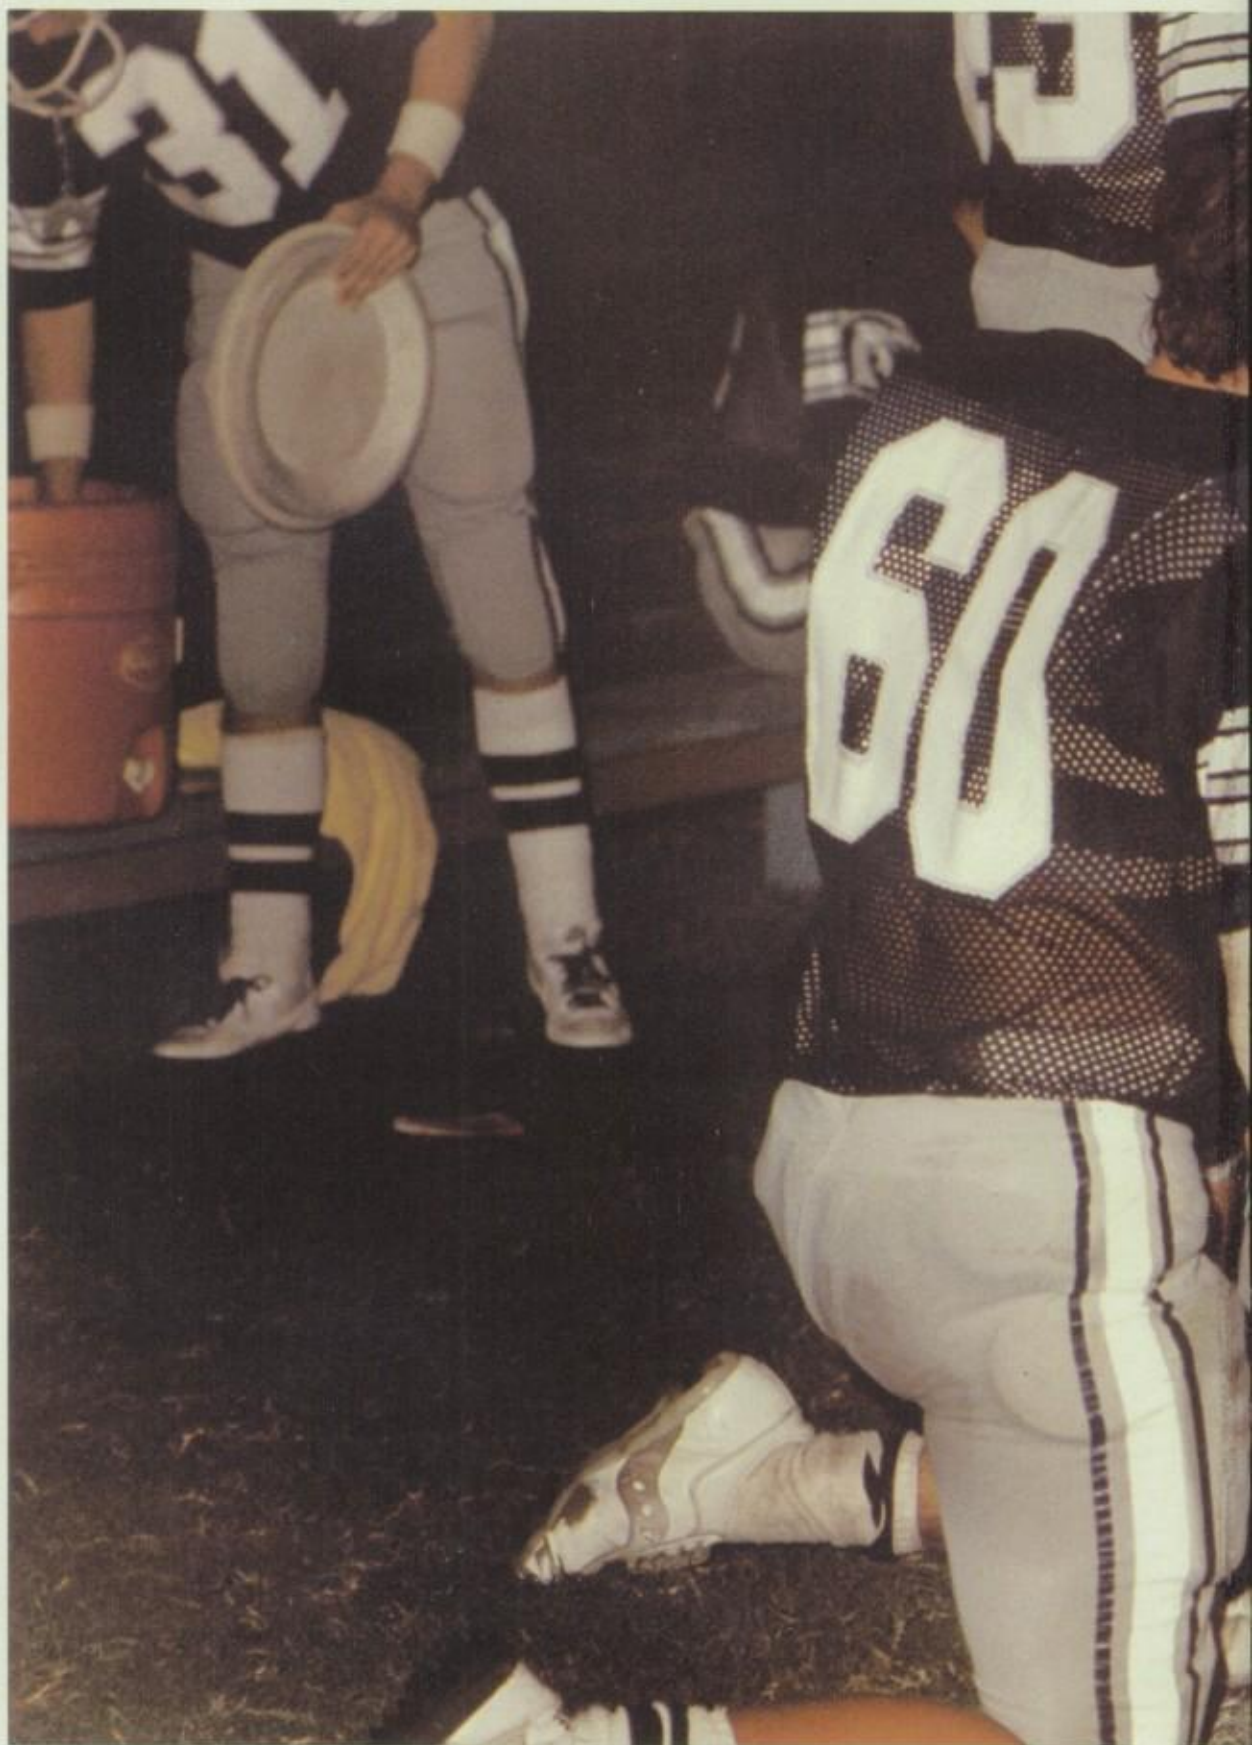

KNOWLEDGE

For many people intelligence comes naturally but for most of us, learning involves a great deal of blood, sweat, and tears. Educational enlightenment includes creating ideas . . . studying at all hours of the night . . . assuming new responsibilities . . . accepting the challenges that lie ahead . . . accomplishing our goals with a sense of pride, and finally realizing that although we know a great deal, learning is really a never ending process.

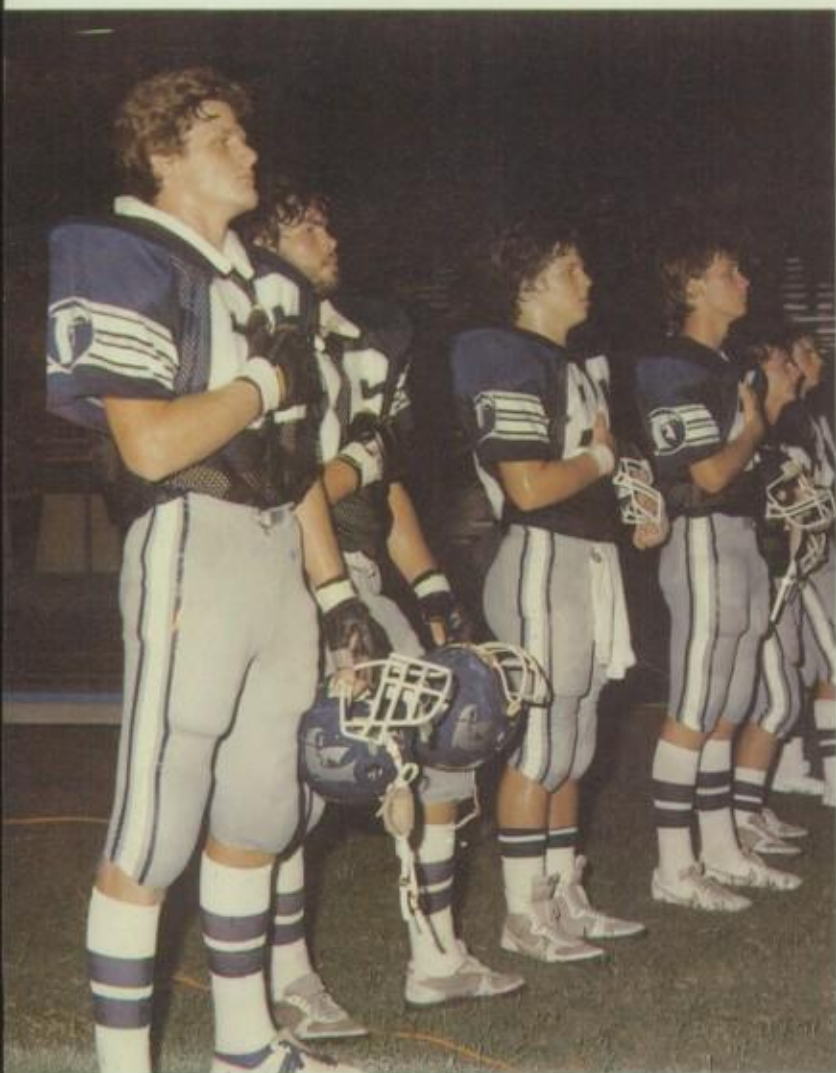

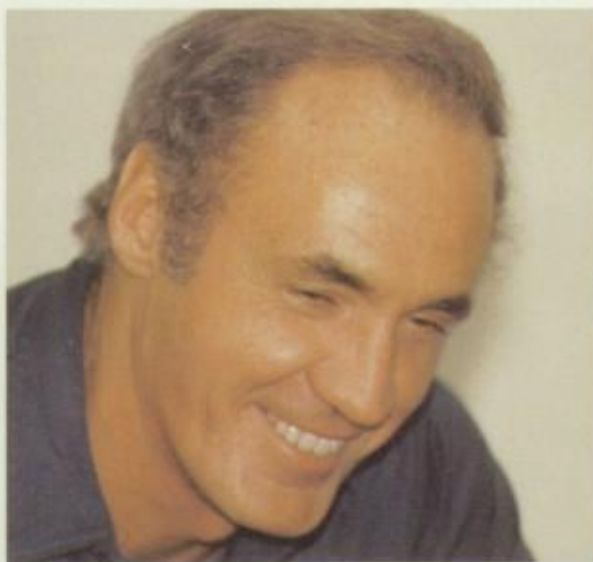

TOGETHER- NESS

Togetherness is being with other people having fun . . . sharing lunch . . . helping one another in the time of a crisis . . . laughing and smiling . . . being part of a team . . . being best friends . . . Togetherness is just being together!!

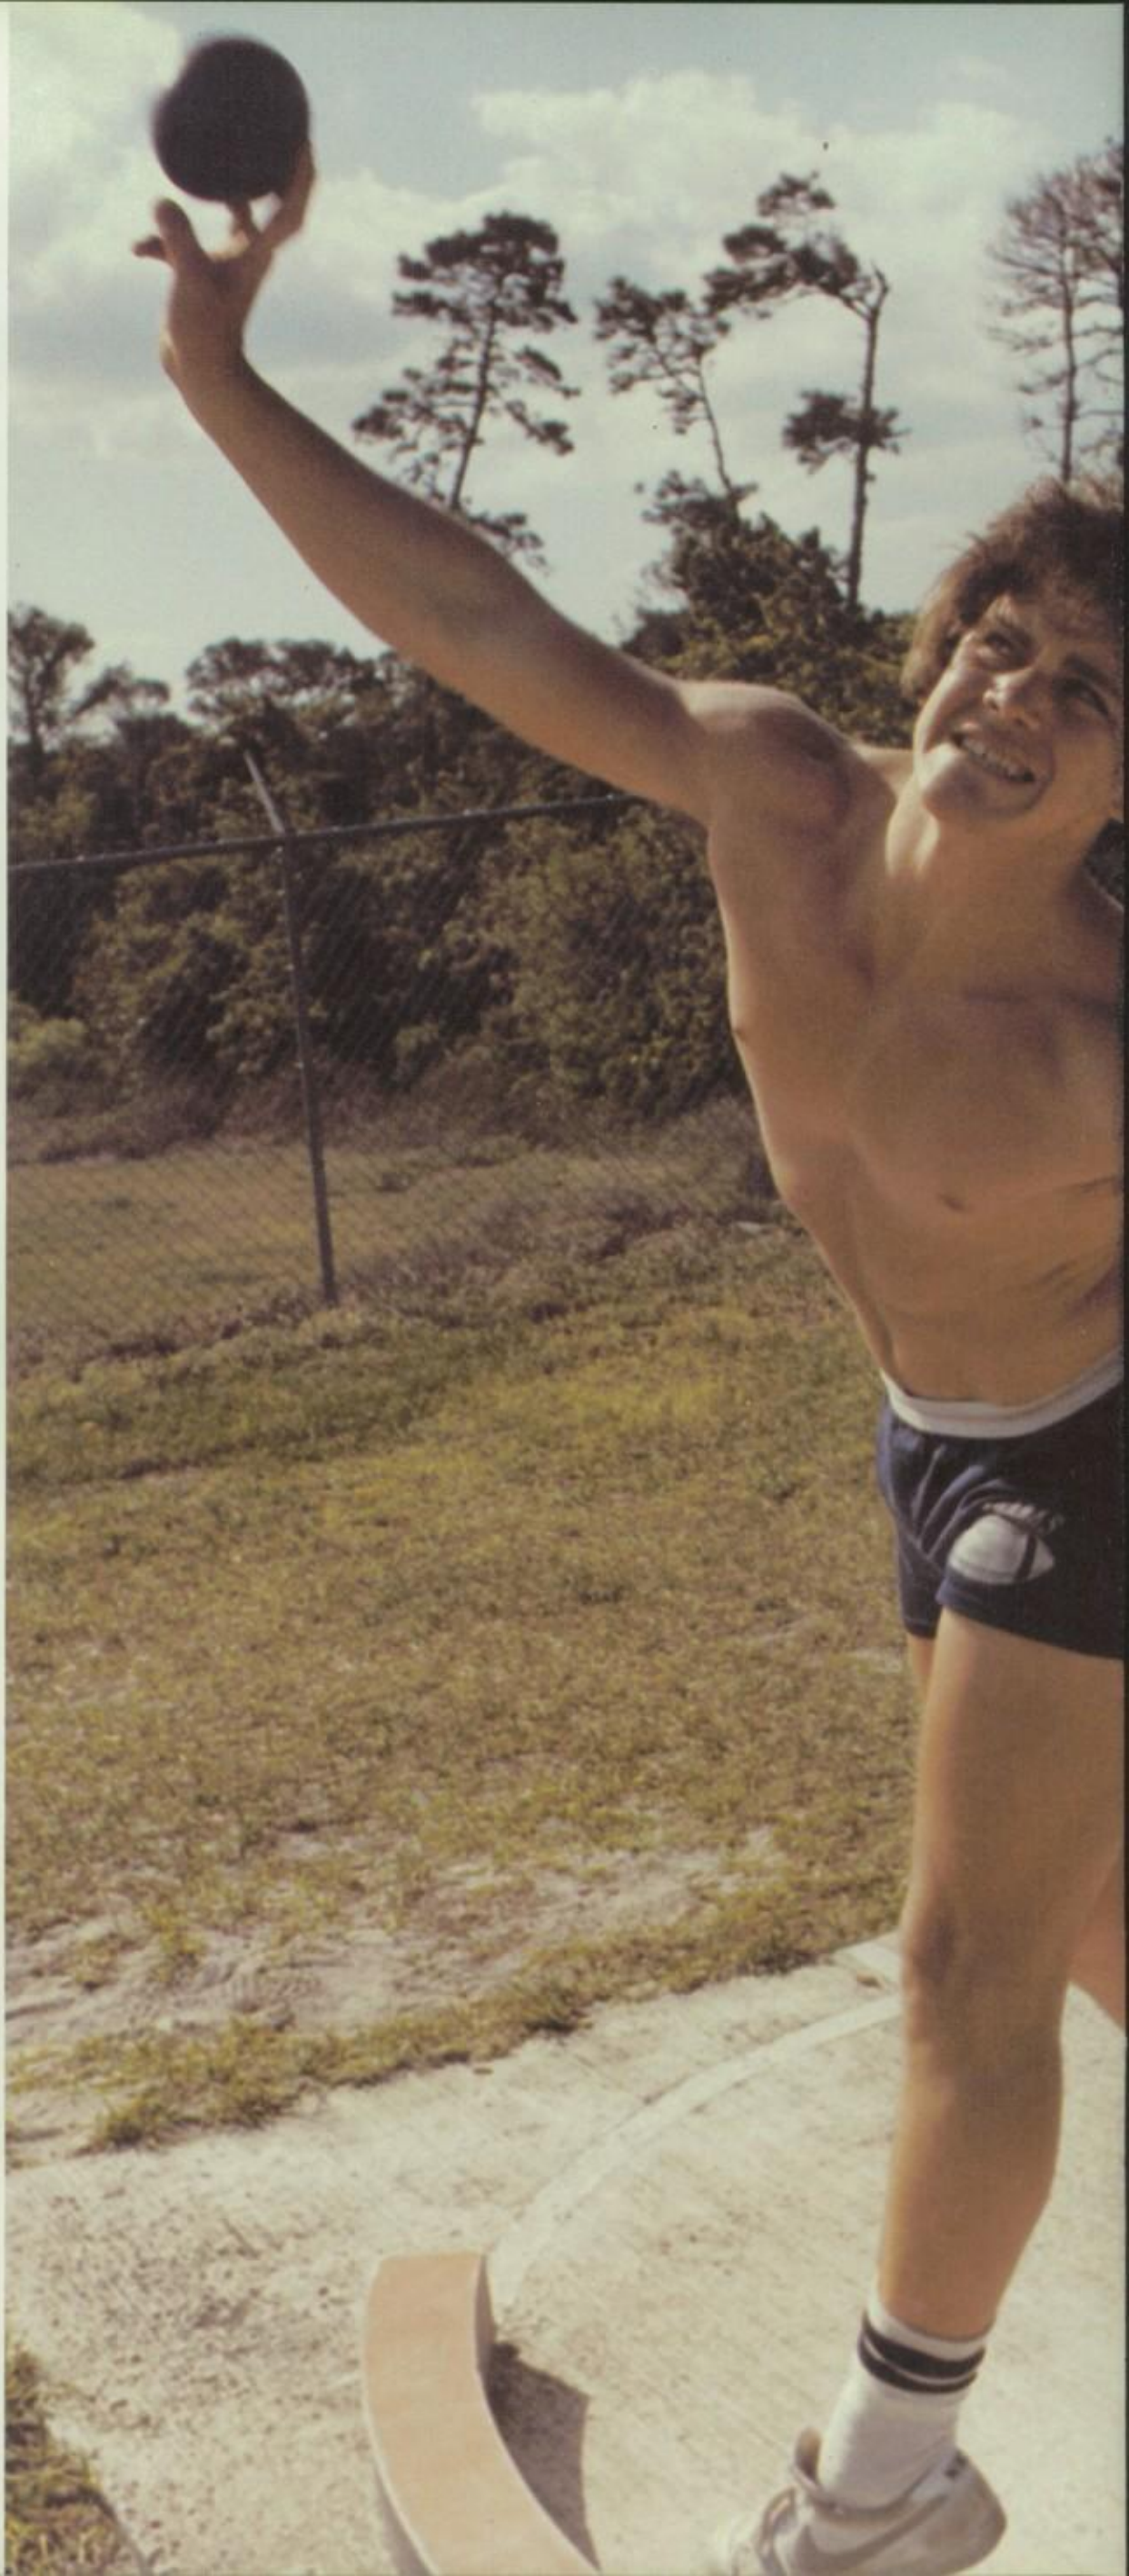

ROLE MODELS

Do we have leaders at Lake Howell? YES WE DO! And the unique qualities they possess include: sensitivity . . . honesty . . . friendliness . . . understanding . . . patience . . . kindness . . . and a willingness to help. These qualities provide Lake Howell with very special role models.

ENDURANCE

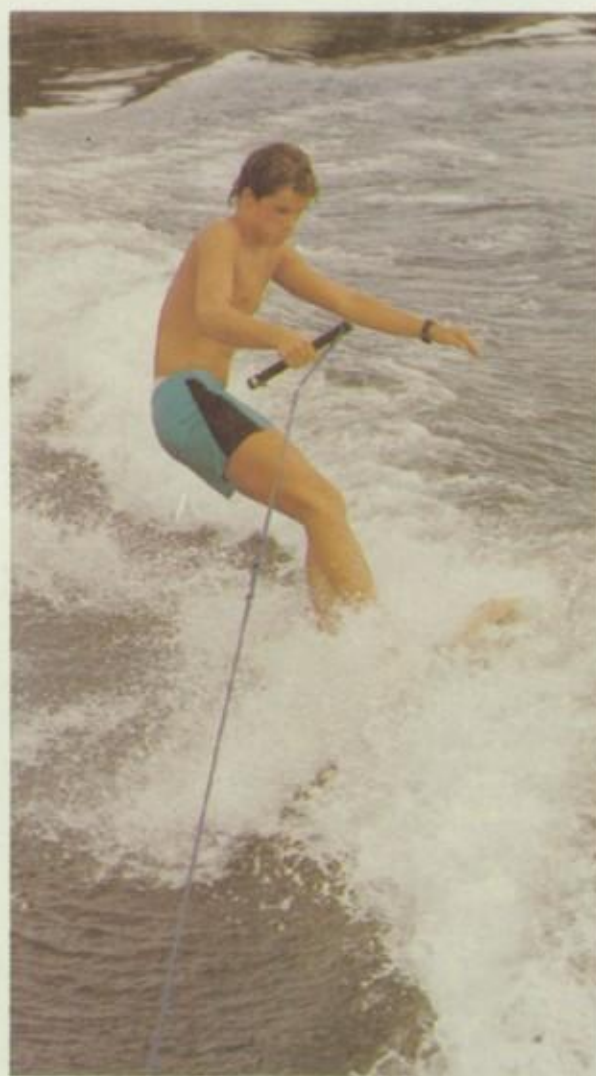

Lake Howell students know what it takes to reach success. Endurance. Endurance is . . . the burst of energy to go beyond what you've done before . . . the last quarter of the football game . . . that ultimate push in the pool . . . the final leg of the mile . . . crossing the high hurdles . . . All of us that take it to the limit will always reach success.

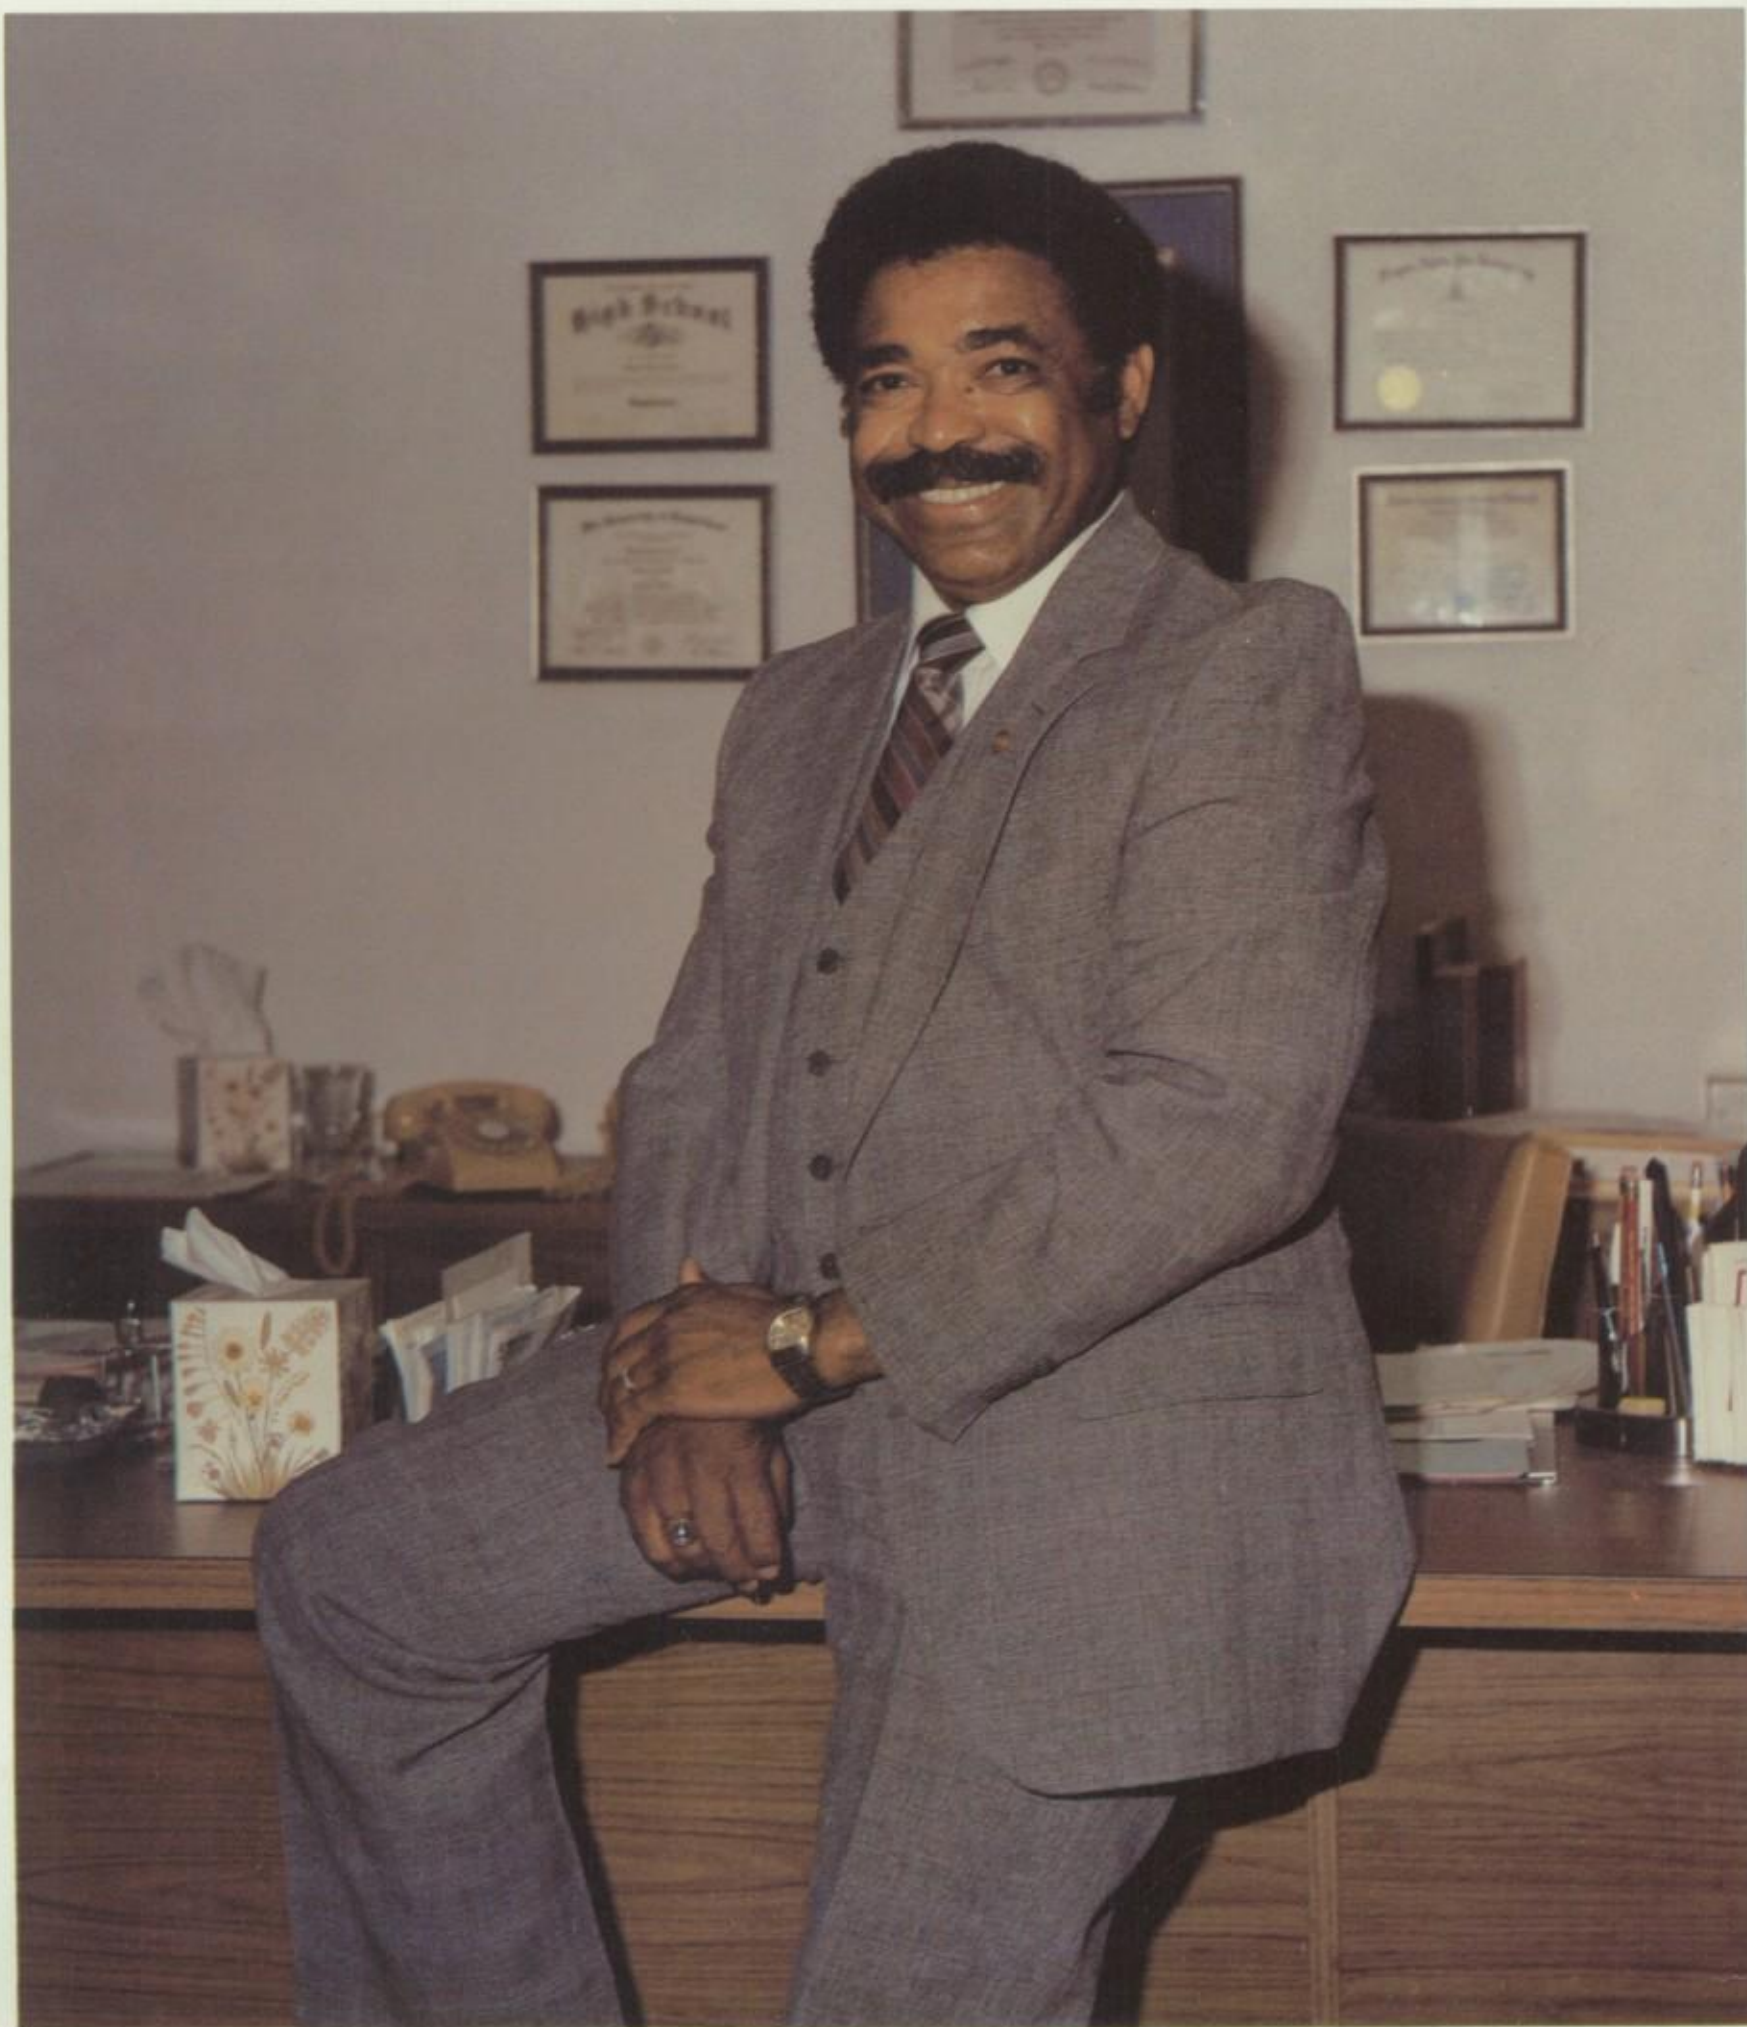

GOOD TIMES

Students at Lake Howell have shared many "Good Times" throughout this past year — going to the beach . . . surfing . . . skiing . . . tubing . . . canoeing . . . Good times are those special moments you've shared with friends.

TEN PERFECT YEARS

Our first year at Lake Howell, 1974-75, was spent at Oviedo High School. Our students attended school on the afternoon session and eagerly awaited for the day that Lake Howell High School (home) would be completed, to formulate the traditions that have since become a rich and cherished heritage.

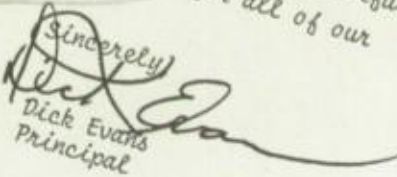

Initially we started out with 833 students and a staff of 33 instructional personnel. Our goal was to make Lake Howell a symbol of academic, musical and athletic excellence. Over the years a great deal of pride has been established for our accomplishments in academics, music and athletics.

Our student body has grown to 2,000 and our instructional staff to over 100. We have had several Merit Scholars in academics and state champions in athletics. We also have received numerous awards in music including an extensive European tour by our band.

Our administration, faculty and staff is committed to "excellence" in all segments of school life here at Lake Howell High School.

The theme for our tenth anniversary is "More Time On Task For Effective Learning".

I sincerely hope the next ten years will be as challenging and fruitful as the first ten in our continued pursuance of "excellence" for all of our students.

Sincerely,

Dick Evans
Principal

KNOWLE

No one ever said learning would be easy and the students at L.H.S. have spent the last four years obtaining knowledge that will help them with their future goals.

In the past ten years Lake Howell has acquired a more diversified learning program with the addition of the vocational wing. Computers have also become a large part of the students' learning program and another computer class was added to the curriculum this year.

The faculty and staff have helped teach students the responsibility they will need now and in the future to help themselves and others accomplish their goals.

PERFECT YEARS

Top Honors for Top Seniors

Nine students attending Lake Howell in 1984 were among the top scoring seniors in the country on the PSAT/NMSC qualifying test. Each year, the National Merit Scholarship Corporation administers their standardized tests to millions of high school juniors and recognizes 50,000 of the highest scorers. In 1984, seven people were recognized as commended students and two more were designated as National Merit Semi-Finalists. These special people were among the top five-percent of all people who took the test in 1982. Everyone should applaud their fine performances.

Row 1: M Nakagawa, J Flood, S Wolf, Mr. Evans. Row 2: M Absher, T McNair, K Kundis, E Stetzer. Pictured Above: Austin Manuel, Steve Cina — Semi-Finalists.

The Few, The Proud, The National Honor Society

The National Honor Society may be the club with the shortest meetings, but it certainly serves an important school service. Every Tuesday afternoon they offered tutoring for people needing help in academic courses. This society also recognizes those who excel academically. It is a great achievement to become a member of this club. Eligibility for a sophomore is 3.75, for a junior 3.6, and for a senior a 3.4 cumulative grade point average.

KNOWLEDGE BEGINS EARLY

For the moderately neat class of 1984 and the teachers of LHHS learning started at an early age. LHHS students have many different personalities: from leopard skin beauties, to dreams of sailing and playing football. Our faculty's high expectations for their future started early too. This is a great addition to our yearbook because it's a chance for everyone to see "THE WAY THEY WERE"!!!

"She sells sea shells by the sea shore."

"Do the Chow Chow Chow"

"Fight the Cavity Creeps, use Crest"

"Home James."

"That face . . . That Cover Girl Face . . ."

"Rub-a-dub-dub . . . One gal in a tub."

"Daddy's little girl."

"There I was . . . Four score and seven years ago."

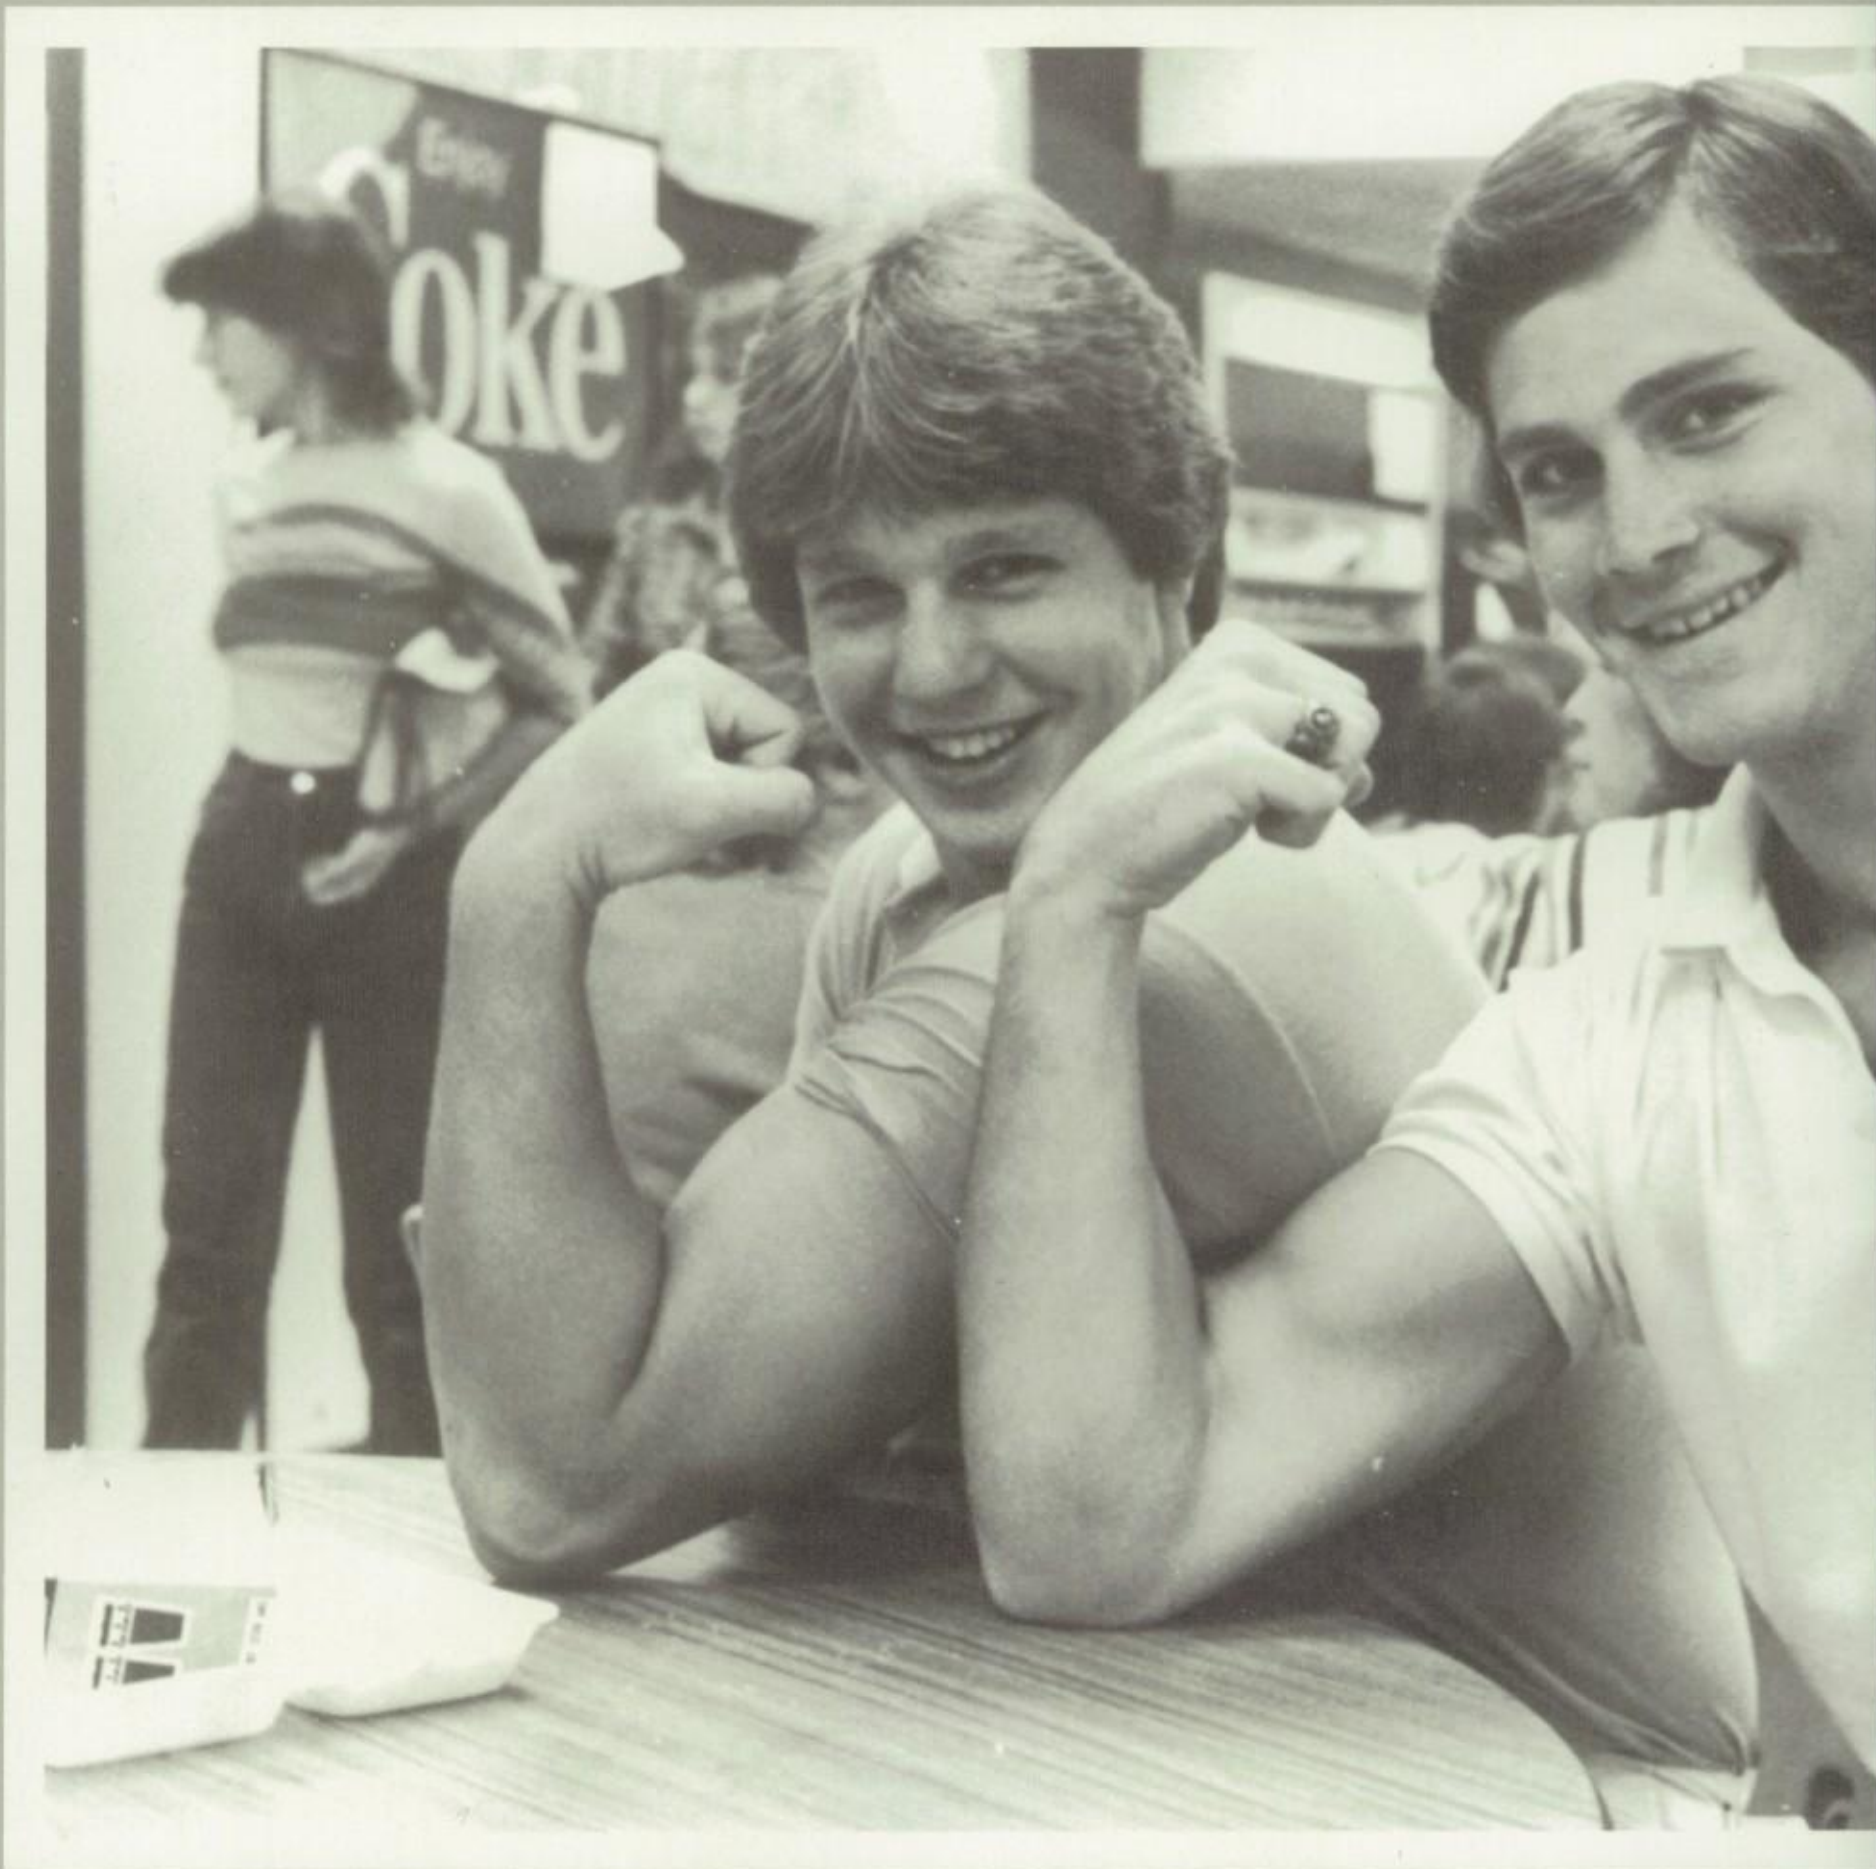

"Hey babe, wanna ride?"

CHARACT

Character is having a trait or something different about you that sets you apart from everyone else. Our school is what it is because of each unique individual who is a part of the group. The following pages are dedicated to the diverse personalities that make Lake Howell more than just a school. They make it our home.

The Sophomore Class Officers this year were Steven Gergick — President; Beatrice Miranda — Vice-President; Mary Kay Scott — Treasurer; and Jolee Johnson — Secretary. The officers raised money selling M&Ms, donuts, carnations, and computer fun sheets; they also helped to organize Spirit Week. Their leadership helped to make this year a success.

THAT'S ME

GOOD TIM

The good times we spend during our high school years will be among our best memories. We will remember our friends and the fun we had at the beach, the school dances, sports events, cruisin' down Park Avenue or just "hanging around." This section is devoted to good times that will always remind you of your high school years.

PERFECT YEARS

Seniors Prove They Wouldn't Be Fooled Again!

The Senior girls romped over the Juniors with an outstanding victory of 25-0. Running away with the score was Cathy Saunders and never yielding to the Junior defense was the courageous offensive line. Keeping the Juniors in place was the all powerful Senior defense who proved they were #1 with an absolute shut out of the Junior offense. The Seniors showed domination throughout the whole game. Better Luck next year '85 . . .

JUNIORS OVERCOME AGONY OF DEFEAT

Juniors seemed to be fighting a losing battle against this year's seniors during the annual Powder Puff game. However, defeat could not diminish their spirit as they cheered their fellow players on. The Juniors might have lost the game, but they had a great time and are ready to win next year.

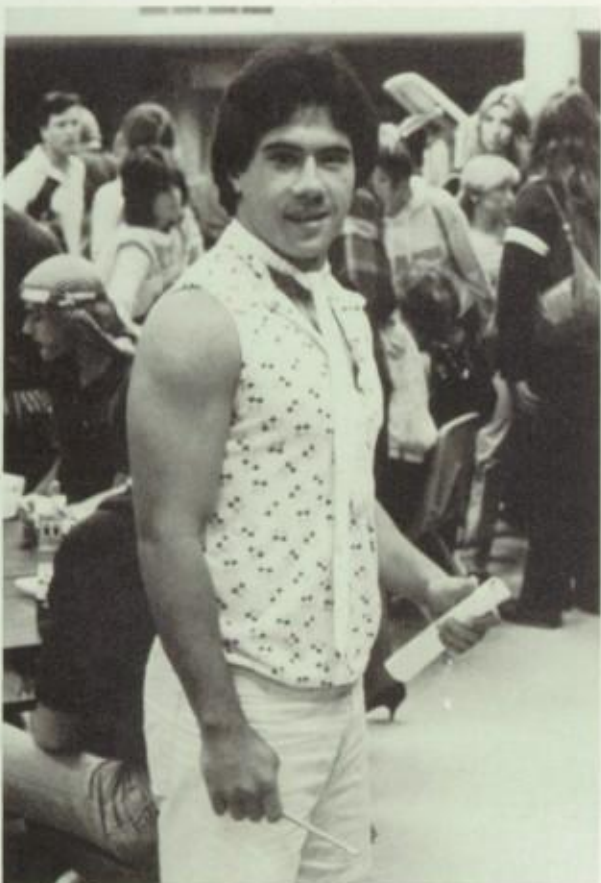

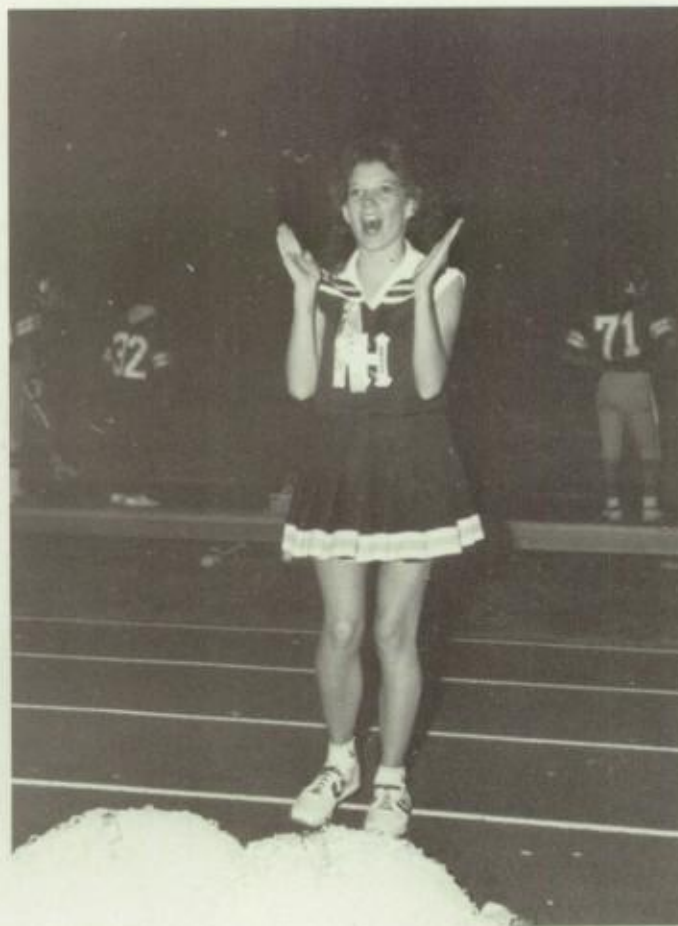

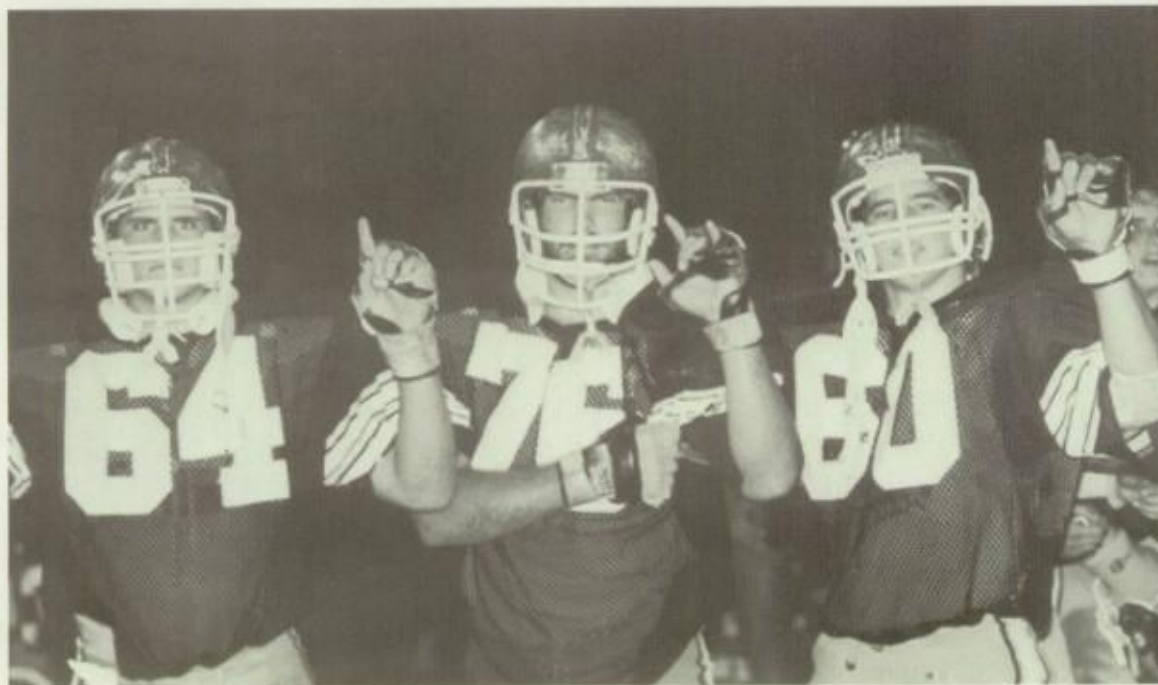

One week every year, the students and teachers of Lake Howell get to don their craziest outfits and show their spirit. It's been called spirit week, and the turnout for 1984 was the best ever. The costumes varied from weird to bizarre, with a little zaniness thrown in for good measure. Spirit week consisted of five days with a different theme each day. There was punk day, western day, sixties day, beach day, and blue and silver day. Lake Howell students, as always, were in perfect spirit.

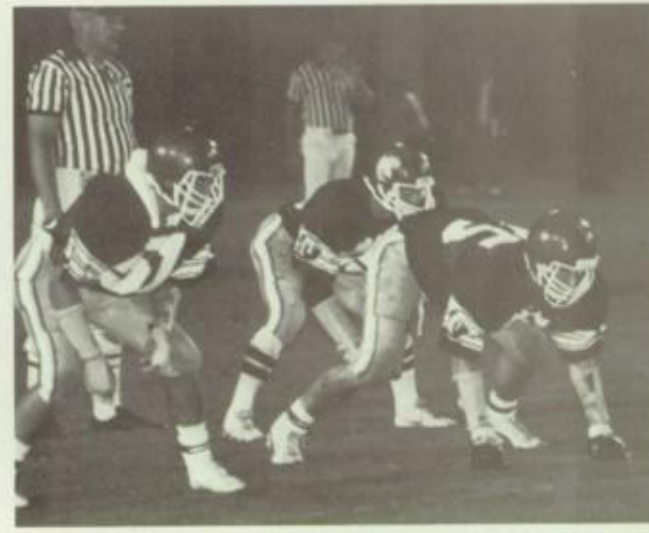

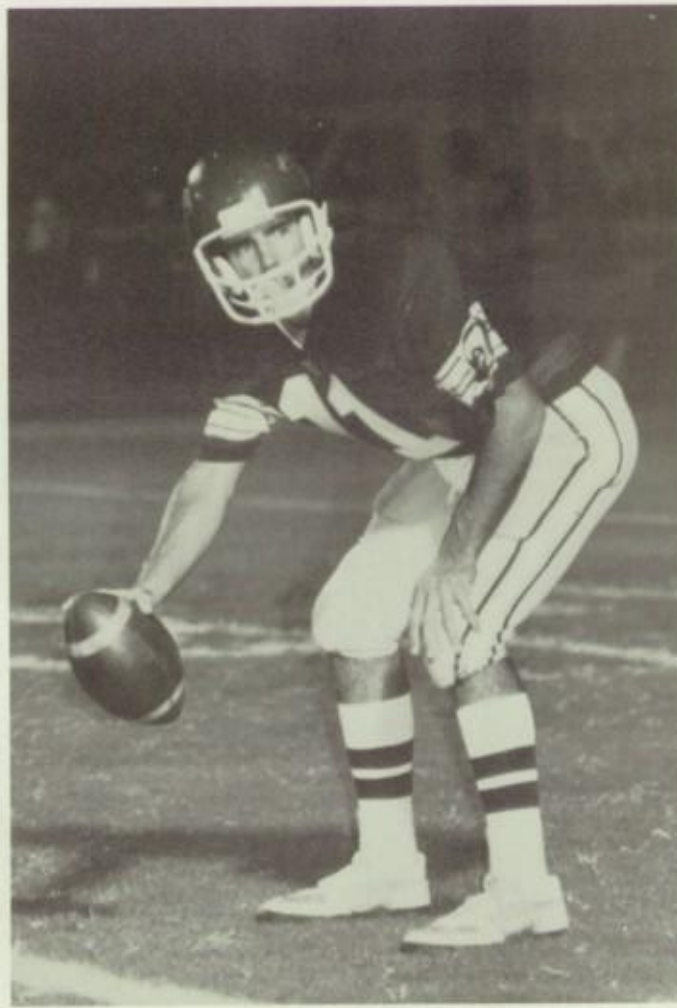

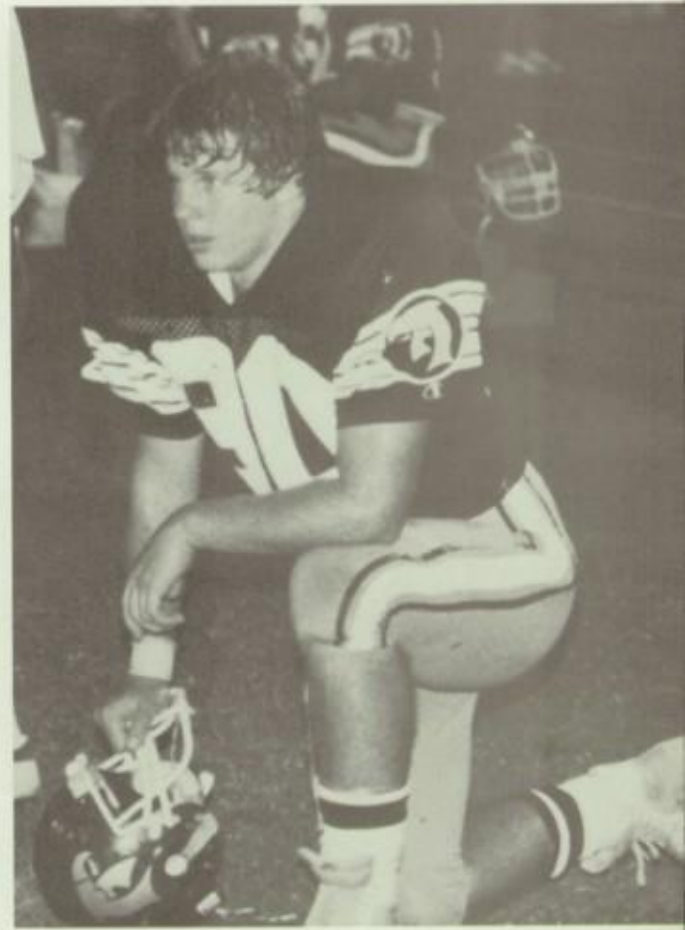

**SPIRIT WEEK IS:

Superior Seniors

The Superlatives chosen by the Senior class represent the Superior Seniors of the class of '84. Over the past four years these individuals have shown the qualities that earned them their titles. Also included in the Superlatives are favorite teachers: Mr. Fiorica and Mrs. McGee received the honors this year.

Jay Robey and Christy Scott earned the title of Mr. and Miss L.H.S. by demonstrating characteristics of all the superlative categories. Preston Bolt and Lee Ann Spillane were voted most likely to succeed; they showed they've got what it takes to be successful. Barbara Heim and Steve Cina, voted most intelligent, were right by their side; they proved that brains are beneficial. Joe Keene and Heidi Pearson received Friendliest, and who couldn't like Christi Braun and Timm Weber? They were voted Most Likeable.

One shouldn't forget high school romance. Tim Reedy and Denise Shanley, Cutest Couple, fit the bill perfectly. Austin Manuel and JoWren Holcomb, who were always understanding, were voted Most Sincere. Jim Royal and Monica Osgood kept the beat as Best Dancers, and Thom Finklea and Chris Devinney held their own as King and Queen Surfer. Monica McNeil and Alan Navotny were always dressed to kill. But who's the fairest of them all? Jack MacKenny and Joeline Baker, of course! John Livera and Kathy Barma were able to make everyone laugh, and not surprisingly, they were voted Wittiest. Flirtatious and fun loving best describe Chris Shanks and Sherry Wistermayer, while Bill Lange and Mary Johnson found fitness to be their forté. They were chosen Most Athletic.

Rick Baker and Leigh Ledvinka were selected Most Talented — oh well, "if you've got it, flaunt it!" For their unlimited time and effort, devotion is where it's at for Jordan Levine and Jen Wasson, voted Most Dedicated. Always leading the crowd Robert Tucker and Jodi Gardberg are definitely Most Spirited. The class of '84 has been well represented by these superior seniors!

"Heroic Couplet"

To Canterbury went a witty man
If just in mind with a pen in his hand.

Telling stories with a different twist
Transferring thoughts to paper with his wrist.

He unleashed his tales, let the truth unfold,
He spoke no lies despite however bold.

The characters of whom he speaks and lists
Are stereotypes, but they did exist.

Poking fun at those he characterized
No pun intended, but he satirized.

Telling his stories in couplets and rhymes
Possessed the listeners to keep beat and time.

Exaggeration of a character's traits
Creates an image to which one relates.

Though he stereotyped using satire,
He finds some quality he does admire.

Stretching good virtues in diameter
While using iambic pentameter.

Following rules as he told each ditty;
Oh! how did that man keep his sanity?

Thirty-three pilgrims including the host;
This man very nearly made good his boast!

Each would tell two tales, on the way and back,
Told twenty-four, but ninety-six he lacked.

All his stories were perfectly arranged;
This alone should have made his mind deranged!

Thirty-three pilgrims and their stories too,
No wonder he died before he was through.

To keep his characters separated
Was a task he underestimated.

The truth to the legend how this man died
Was his mind went blank when his ink well dried.

Writing heroic couplet sample?
Geoffrey Chaucher is a fine example!

MEDIEVAL FAIR

This year's Medieval Fair was held at Turkey Lake Park in Orlando. The sponsors for this event were the Jaycees of Greater Orlando, The Southern Ballet, and The Society for Creative Anachronisms of Central Florida. Students from Ms. Dessert's, Ms. Levine's, and Mr. Seller's classes attended for extra credit. Among the festivities were plays, dancing, singing, fighting with swords, cudgels and maces, and a human chess match. Some of the other festivities were palm reading, storytelling, and the reading of tarot cards.

ROLE MOD

ROLE MODELS

Many students consider their teachers role models. To some students they have become more than just teachers; they have been friends, companions and counselors. As role models our teachers and other members of the faculty have taught us much more than academics; they've taught us how to be friends and how to work together. The following pages pay tribute to our teachers and the other members of the faculty and staff.

PERFECT YEARS

Administrators Celebrate A Decade Of Dedication!

The administrators here, as in every school, are the moving force behind the school's prosperity. Through their work in the last few years and especially this year, they have made Lake Howell one of the finest learning institutions in the area. Students and parents alike should commend and support them in their continuing efforts to attain high standards for all students. Mr. Evans, in particular, exemplified the concerted effort put forth by everyone at Lake Howell that made this the best year ever.

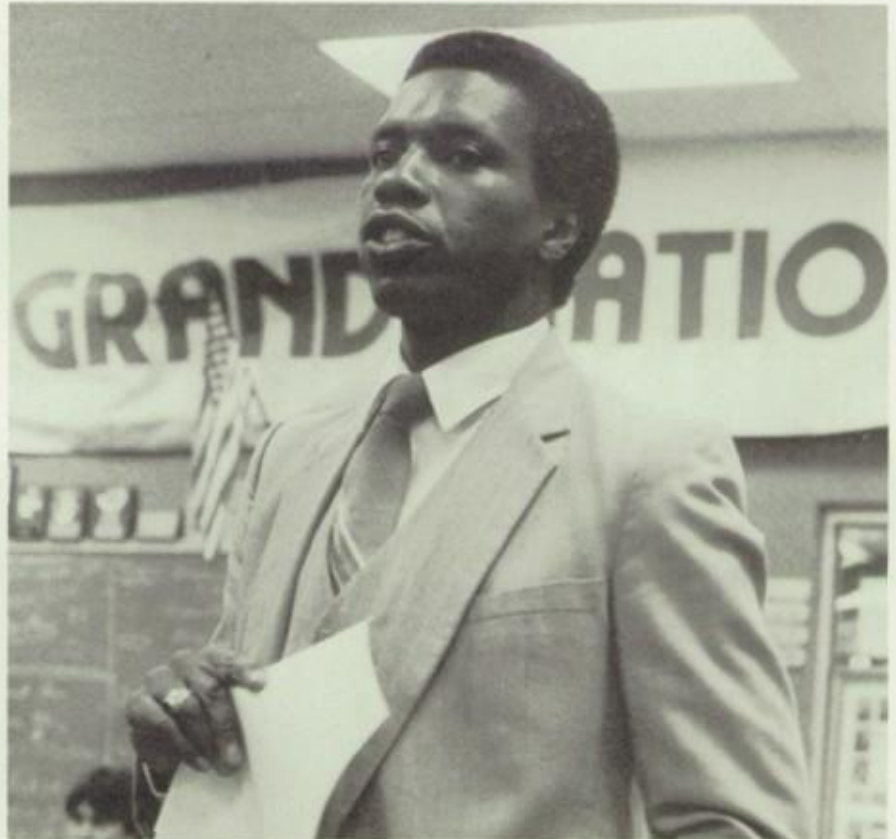

Mr. Dick Evans — Principal; Mr. Ray Gaines, Mr. Bob Bodnar, Ms. Carol Sutton, Mr. Frank Duncan — Assistant Principals.

A Continuing Tradition of Excellence

Mr. Gaines and Mr. Duncan are two people who worked hard at keeping the daily routines running smoothly. They showed up at school functions, kept order on campus and took care of all the things, large or small, necessary to keep the school going. Without their dedicated work, we certainly would not have had such a successful year. Dedication and pride in the fine body of students attending Lake Howell motivates them to continue in their struggle to attain perfection.

Part of an Efficient Team

Mrs. Sutton and Mr. Bodnar fulfilled students' needs this year by being cooperative and responsive to everyone. No problems were too complicated and all were met with smiles and innovative ideas to resolve them. Together they rounded out an efficient team of administrators who were the backbone of the school.

COUNSELORS DO IT WITH CLASS!

Counselors went beyond the call of duty in assisting the 2,000 students of L.H.H.S. get prepared for their futures. Aside from helping with academic problems, Juniors and Seniors could also count on them to help them prepare for important tests, such as the S.A.T. and the P.S.A.T. Thanks, Ms. Berry, Ms. Loiacono, Mr. Paine, Mr. Goldstein, and Mr. Hargis for a job well done!

Registrar Keeps Track of the Silver Hawks

Mrs. Carli and Ms. Cauthen have their hands full keeping up with the students of L.H.H.S. They help students with schedule changes and attendance problems. You can always count on Mrs. Carli and Ms. Cauthen to get the important jobs done.

Secretaries work 'round the clock

The secretaries of L.H.H.S. had a variety of jobs ranging from helping the athletic department to the administration. They enjoyed assisting the student body and worked together extremely well. Secretaries keep the school running at a smooth pace. Without them, we would be at a loss.

The secretaries include Rosa Browdy, Shirley Carey, Renee Cauthen, Idaliza Ferreira, Barbara Gagliano, Iris Glater, Judy Hodges, Beverly Kirby, Carol Kotkin, Frances Lamar, Dawn McIntyre, Deborah Philpott, Shirley Philpott, and Janis Strickland.

Service Personnel Really Make the Grade!

Clean hallways, shorter lunchlines, and trouble-free lockers were just some of the reasons that the students of Lake Howell owe thanks to Mr. Russell and the Service Personnel.

Mr. Russell and the Service Staff doubled and redoubled their efforts in an attempt to show that they had just as much spirit as the students did. This year the Lake Howell Staff provided a winning example for the students, and no matter what scale you use, Mr. Russell and the Service Personnel were "Perfect 10s"!

Ms. Williams

Mr. Sica

The new enlarged and secured media center is under the excellent direction of Mrs. MacCartney and Mrs. Parker. The yearbook staff would like to thank the Media personnel, and we would also like to congratulate all of the Special Education teachers for a job well done this year.

In his first year here, Officer Sica has proved to be extremely valuable to the school. He has helped both with the enforcement of rules and with providing valuable information regarding law enforcement. These special people deserve a pat on the back for doing such an outstanding job.

EINS... DUE... TRES... QUATRE!

The Foreign Language Department included the studies of French, German, Italian and Spanish. The basics of each language were emphasized through monologues and dialogues. Students also enjoyed field trips such as the Theater on Park production of *Man of La Mancha* and a trip to Disney's EPCOT.

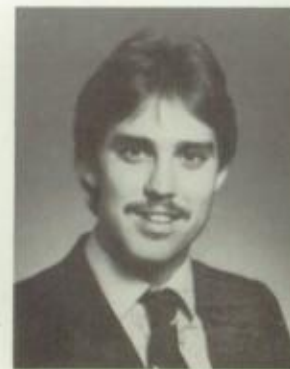

Two credits of a foreign language were recommended for the students who plan on going to college. The teachers in this department have better prepared the students for college entrance. The time and expertise of these teachers contribute to Lake Howell's outstanding Foreign Language Department.

From Beethoven to Van Gogh!

Creativity and commitment count when it comes to the performing arts. For Lake Howell's Silver Regiment, 1984 has been one of the best years. Because of Mr. Martin's outstanding leadership ability, our band has become one of the best in the area.

In addition to Mr. Martin's hard work, Mr. Palazollo has worked 'round the clock with Lake Howell's choir. Each year he and his choir members work diligently to keep Lake Howell in the limelight as far as choral district and state competitions are concerned.

Along with band and chorus, Lake Howell's art department is growing too. This year advanced photography was added to the curriculum and advanced art came through with flying colors. In addition to an expanding curriculum, a new faculty member, Ms. Carol Mears, worked part-time with Ms. Stockamp in the art department. Thanks to the efforts of Mr. Martin, Mr. Palazollo, Ms. Stockamp, and Ms. Mears, Lake Howell's Fine Arts Department is one of the best!!!

Vocational Wing Expands to Meet More Student Needs

The Lake Howell Vocational Wing was expanded a great deal for 1984, with new teachers and more classes. The department provided a very diversified education, with classes in computers, typing, agriculture, shop, accounting, and industrial arts. Of particular note was the job entry program, which installed numerous students into promising careers. The Lake Howell Vocational Wing has been a crowning success.

Lake Howell business teachers know the fundamentals of business management and organization, and they provide an excellent foundation for students by offering courses, such as: Typing, Shorthand, Accounting, and Drafting. Everything one ever wanted to know about business basics (and a lot more) is taught. Our business wing has also increased the number of teachers and equipment to improve and insure quality teaching. FOR THE LOVE OF BOOKS

"F.T.L.B.!" you hear that now
From teachers at Lake Howell High.
"But what does it mean?" I hear you ask,
"I wanna know now, and I gotta know why!"
This much we'll tell you, though some we won't.
It's the English teachers' battle cry.

F.T.L.B. — For The Love of Books —
A motto worth your while,
'Cause read a book and you can learn
About authors and their style,
And visit places you'll never see
Though you travel for many a mile.

F.T.L.B. — For The Love of Books —
Like classics of Dryden and Swift.
Or haunting tales by E. A. Poe
That give the spirits a lift.
These are the things that books can give —
A gift like no other gift.

F.T.L.B. — you hear that now
From teachers in every class.
And so you'd better read these books
And do assignments en masse.
'Cause if you don't — F.T.L.B. —
You're liable not to pass.

Striving for a Perfect 10

Physical Education is a course designed to build endurance. The students had the chance to participate in a variety of sports and at the same time get a breath of fresh air. The course is made possible through the dedication of the P.E. staff.

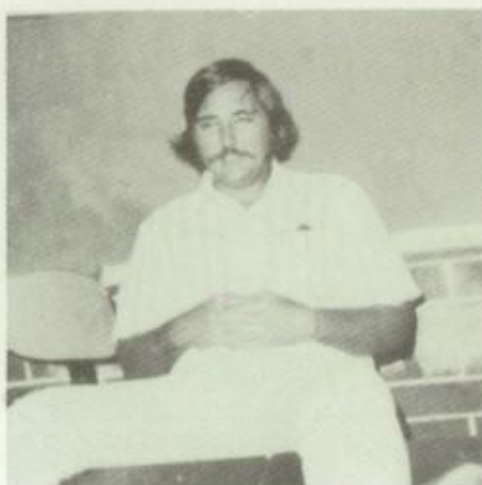

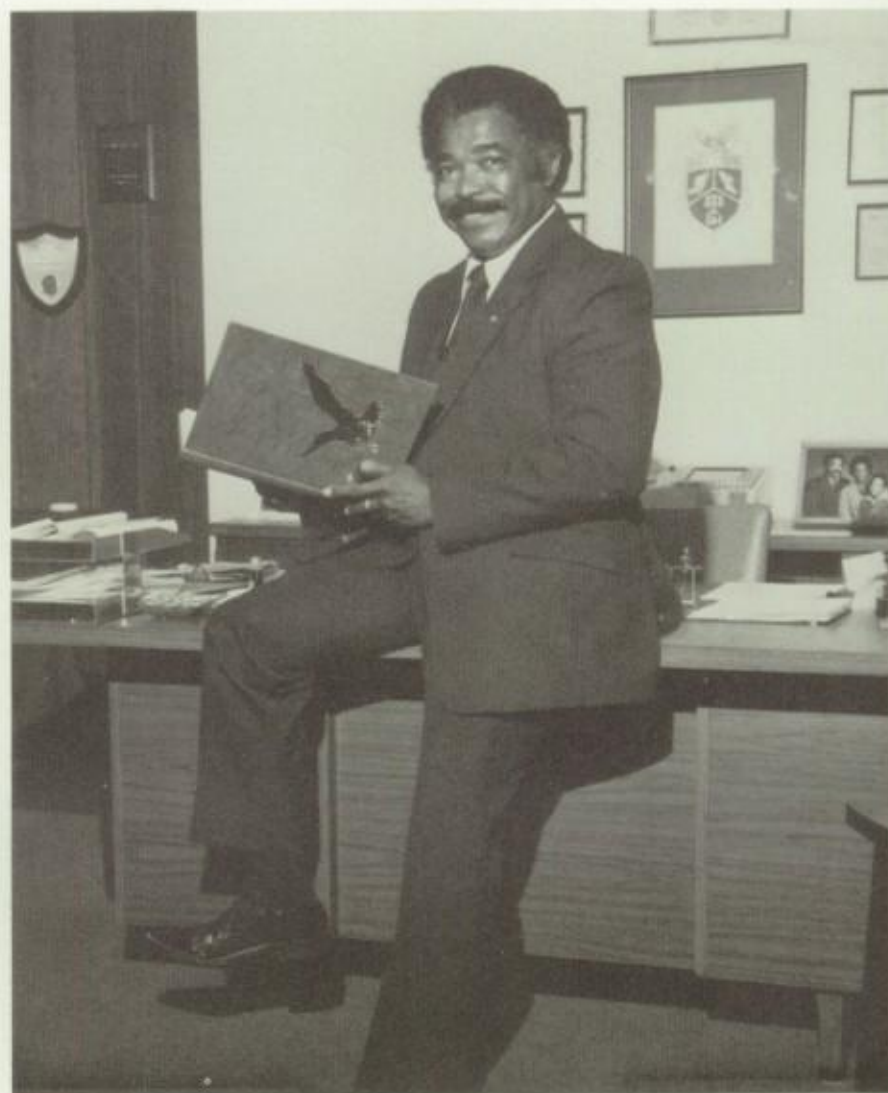

Drive Away With Experience

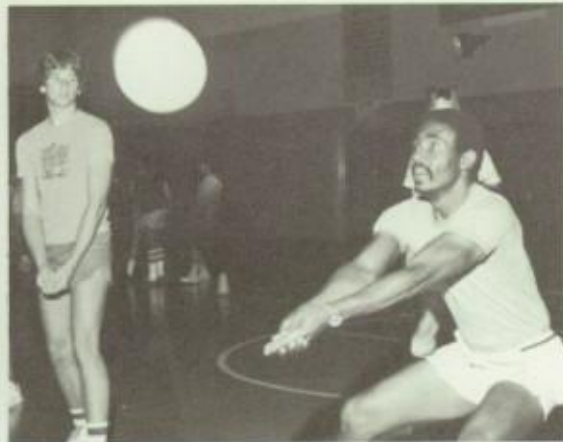

Drivers Education is a class devoted to the teaching of our future drivers. The course prepares the students with the fundamentals of on the road driving, such as parallel parking, 3 point turn, and most of all the safety and care that are involved in driving. The dedication of Coach Codrey has helped to make the students of Lake Howell better drivers.

Staff Celebrates Ten Great Years!

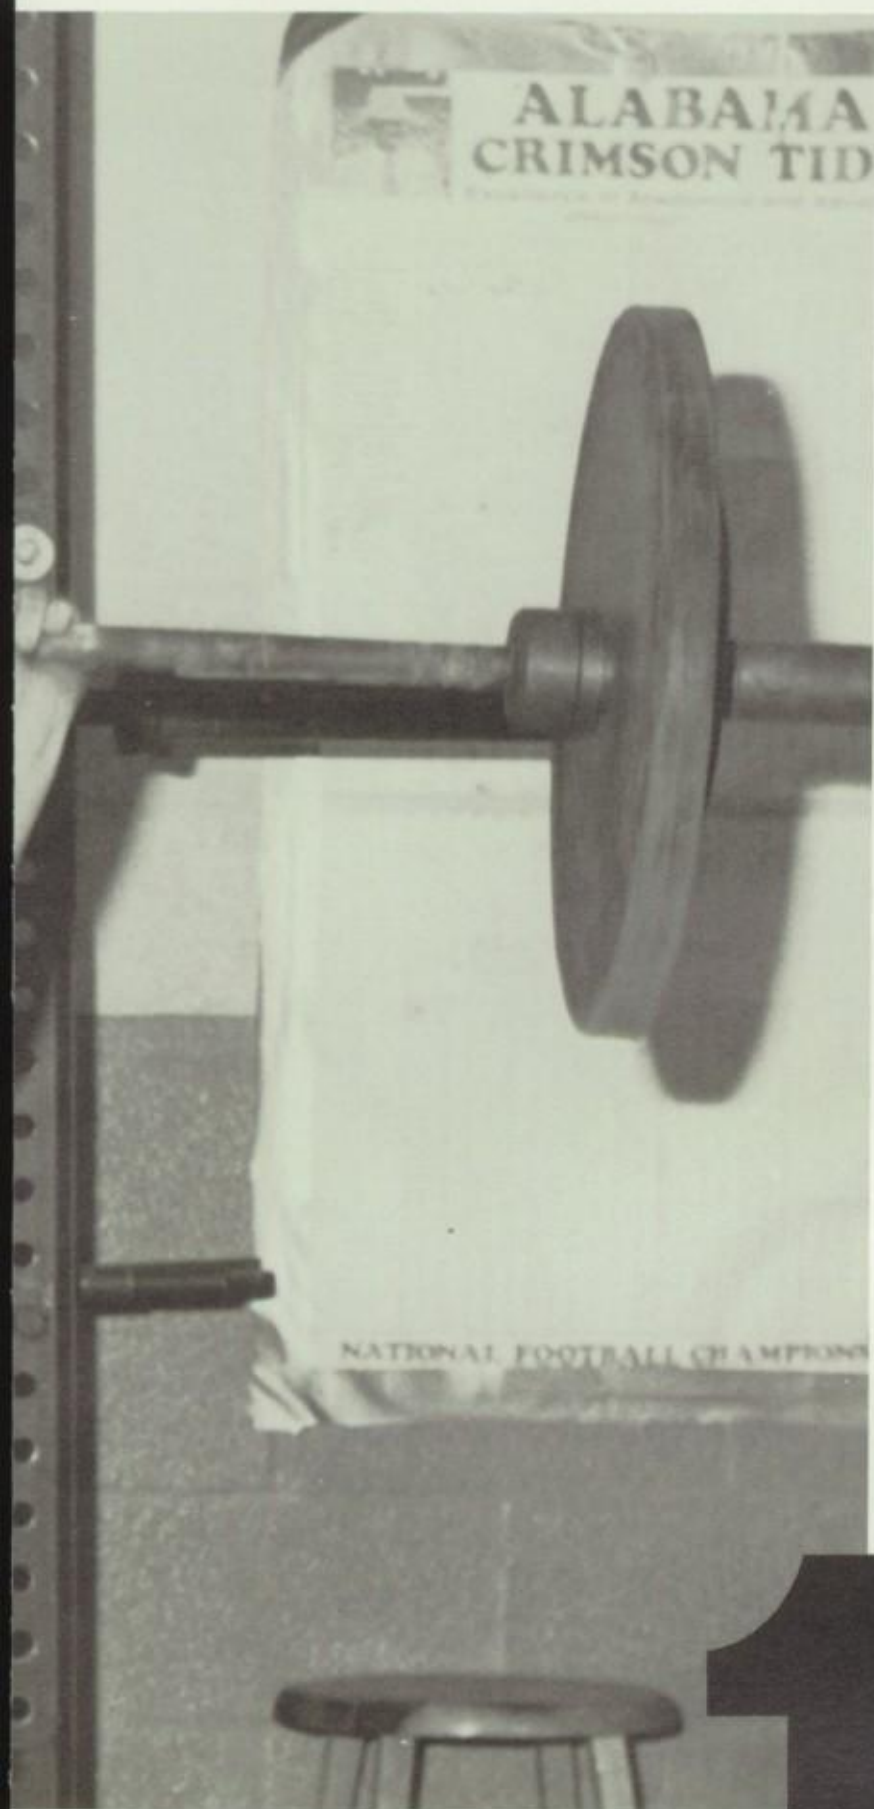

Lake Howell High School has been in existence for 10 years and during that period a few select members of the staff have remained and endured from the very beginning. They have watched thousands of students come in, grow and then move on, and at the same time they have grown themselves. These people have molded their pupils' minds as well as the image of the school as a whole. Without their continued devotion to the profession of teaching and to the students here at this school, Lake Howell would never have been able to achieve the level of academic excellence which sets it apart from other area high schools.

ENDURA

Throughout the past ten years, Lake Howell's athletes have experienced both the thrill of victory and agony of defeat. In preparing for a particular sport, students have gone through grueling practices; we've won; we've lost, but most of all, we've endured and proved to be a school not only with great academic but athletic potential as well.

Lake Howell has had many students go to Conference, district, regional and state competitions. We've seen some of our finest athletes go on to major colleges throughout the nation, and we have also had High School All Americans. During the 1983-84 school year, Lake Howell sent our first team to a State Competition.

We would like to honor those outstanding students in all of our athletic programs. In addition, we would like to thank the coaches for their continuous devotion to our fine athletic program and also the parents and students who attend our sports events and provide the enthusiasm and spirit that makes our teams PERFECT 10's.

Hawks Show Great Potential

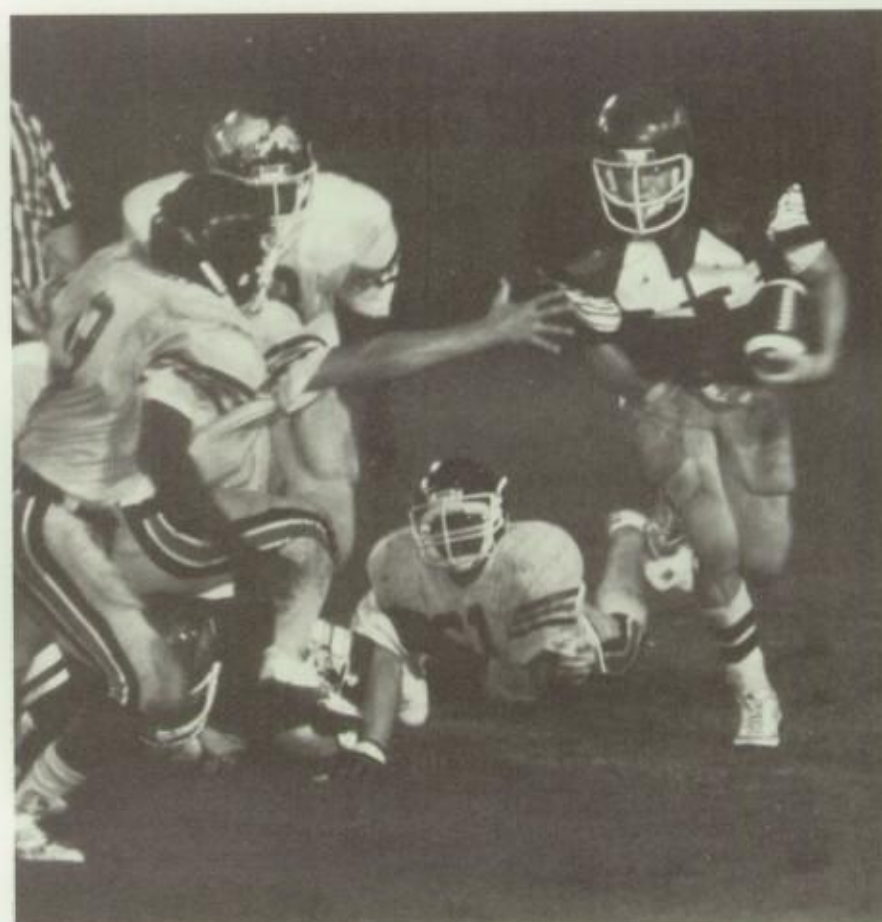

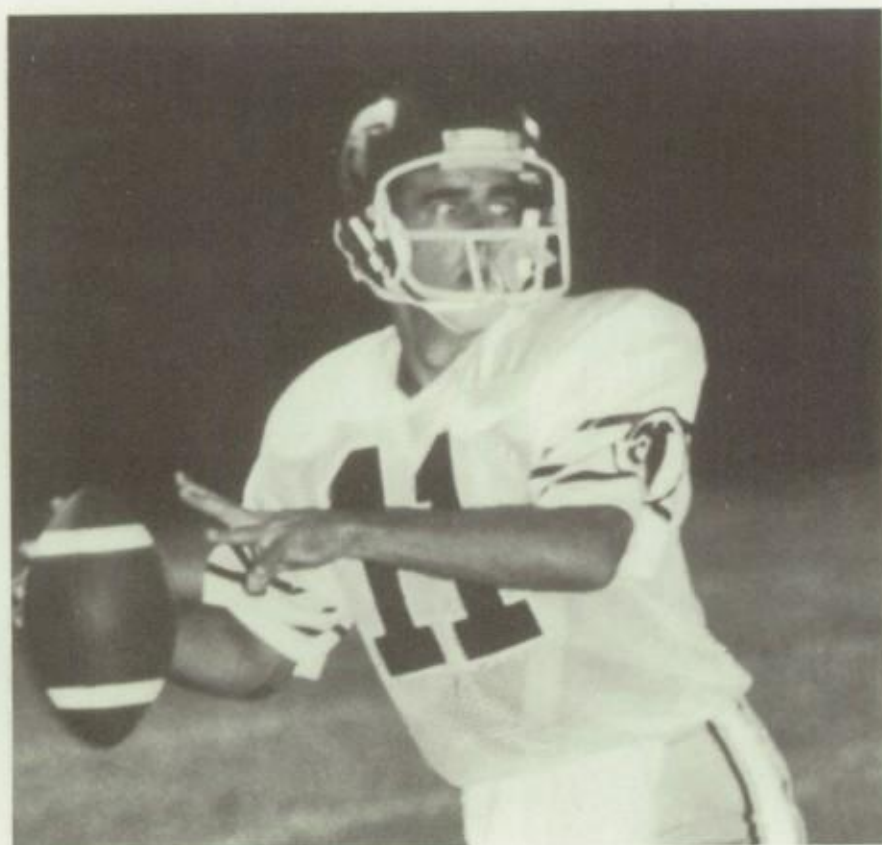

The Lake Howell Varsity Silver Hawks, under the leadership of Coach Bisceglia and Coach Maiolini, played a hard fought season that resulted in a record of five wins and five losses. The team had many new dimensions with the additions of Coach Blackwell, Coach Luby, and Coach Irvin to the Varsity staff. With the help of several all-conference players, the Silver Hawks performed brilliantly against some of the toughest teams in the state. Even though a lot of seniors will be lost, next year promises to be one of the best seasons ever.

Cheerleaders Promote School Spirit

The cheerleaders this year did an excellent job of promoting school spirit. This included many activities, such as decorating the commons, locker rooms, players, cars, and organizing more original pep-rallies. The cheerleaders also had a few fund-raisers to send next year's squad to camp for even more improvement.

This year our Freshmen cheerleaders won a camp competition which sent them to a national competition. Congratulations to all the cheerleaders for a job well done!! **Varsity (left page)** — Row 1: C. This year's Silver Hawk basketball team was one of the youngest varsity teams Lake Howell has ever had. Along with their youth, the team showed great talent and promise for the future. The Silver Hawks had one of the best defenses in the conference. The Hawks were led by leading scorer Efen Brooks and rebounder Keith Wooldridge. Under Coach Robinson, the Hawks promise to be one of the powerhouses of the future.

J.V. Hawks Show Promise for the Future

The Junior Varsity team of the Lake Howell Basketball program got off to a great start in 1984. Most of the squad were just starting out, but they proved to be great athletes. Under the leadership of Coach Stan Adams, the team showed itself to be skilled successors to the Varsity team.

Hawklifters Carry Their Weight

This year the Lake Howell lifting Hawks continued their winning ways with defeats over Mainland, Evans, Seminole, and countless other teams. Coach Pope as always gave our strong lifters expert tips on their techniques. It was an excellent season with many personal goals achieved. Congrats guys!

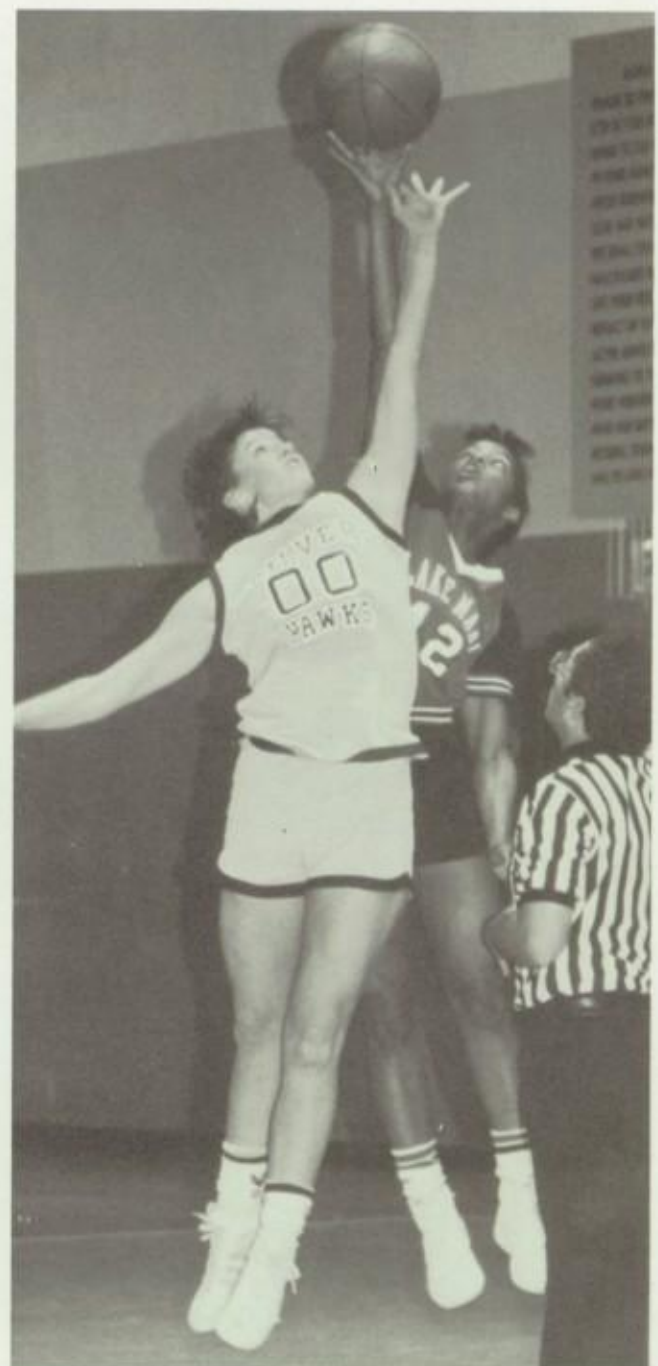

LADY HAWKS SHOOT FOR THE SKY

The Lady Hawks had most of their veteran starters returning this year. The Lady Hawks have had a two year record of 36-8. When it comes to scoring points we looked for Tammy Johnson. She was the leading scorer in Seminole County. Mary Johnson leads the team with most steals and assists. In the rebounding department, Christy Scott holds the school record. The Lady Hawks have many excellent players but the success of their season was a team effort.

Girls' Cross Country Takes It to the Top

Hard work and a lot of dedication has really paid off this year for the girls cross country team. Leadership was kept busy this year planning activities, helping with the fundraisers, and working with the community. Leadership made the year more exciting and fulfilling. They tried to involve more people in leadership activities and would like to see leadership become more active in school policy. The leadership class thanks all the teachers of Lake Howell for their cooperation and patience with them during the year and they extend a special thanks to Ms. Conn because without her help leadership would not be successful.

LEADERSHIP

GETTING TOGETHER TO GREET HER COUNSELORS

The 1983-84 Peer Counselors were very busy this year getting together with freshman groups. They also met at the beginning of the year with the new students of Lake Howell. This group of seniors were the first to be trained for Peer Counseling their junior year. Through the past year the counselors have developed close friendships with each other and the students they counseled. Peer counselors firmly believe that the friends we make today will be our friends forever.

Pres. D. Shanley, Vice Pres. T. Andrade, Sec. S. Windes, Treas. S. Ramirez.

Lake Howell's Interact club brought many activities to our school. The club is designed to help the school and community with fund-raising projects. This year the club started out by co-sponsoring the third annual "Last Home Game of the Year Dance." This was held November eleventh and Roy Adams of BJ-105 was the disc jockey. The dance was a rousing success. After three years of just talk, club members have finally ordered shirts. They appeared around campus just after Thanksgiving. The club also visited orphanages during the Holiday Season.

What can one do with varied lines of prose?
Or fifty odd pages of student poems?
Why, it's easy. The case is open and closed.
The Silver Quill is a suitable tome!

One can find a motley crew in three-oh-six,
Never armed to harm with stones and sticks,
But ready with satire and parody.
A better army you will never see.

We offer the future, the present, the past,
A kinship with words that will ever last.
We have layout and art and contests galore.
Give us your time and we return much more.

CHORAL DEPARTMENT

Each year the Lake Howell Choral Department is involved in numerous activities which greatly publicize the name of our school throughout the state of Florida. Among these events are the University of Central Florida and Stetson University Honor Choirs. Each of these choirs are comprised of a select number of students throughout the state who show outstanding singing ability. Several students are chosen each year from the Lake Howell Choral Department according to their singing talents and knowledge of theory to represent Lake Howell in the All-State Choir, composed also of outstanding students from other high schools in the state.

In addition, the Concert Choir performs each year in the annual Disneyworld Candlelight Ceremony at Christmas. This is a breath taking and highly professional performance.

The Girl's Chorus, Men's Ensemble and Concert Choir compete yearly in district contest and often achieve superiors and go on to state contest in Tallahassee or Gainesville. Many of the choir students get involved in solo and ensemble district contest and earn their way to state contest as well.

Among other activities in which the choirs participate are the annual Winter and Spring concerts in which they host a variety of musical entertainment dealing with certain themes. Another annual production is the Red Stocking Revue, the main fund raiser, which is a delightful talent show.

The choirs also perform in public for different community events. In the past they have performed at the Altamonte Mall, Seminole Community College, various churches, and other places.

The yearbook staff could not produce a yearbook without the support of our advertisers and for the past decade Lake Howell has had many generous businesses, teachers, parents, and students. The WINGS staff would like to thank all those who were generous enough to purchase an ad in our yearbook and ask that all students identify themselves as Lake Howell students when patronizing those businesses. Thank you, because without you there could be no yearbook.

LITTLE ONE

Daughters are special to Daddys
but you are extra special to me

Always available when I needed
not to make your decisions for
you, but to listen to your
life decisions

Wish you very few mistakes in
life, just learn from them, and
grow stronger

Now go meet the world and remember
to make your own future the way
you want it

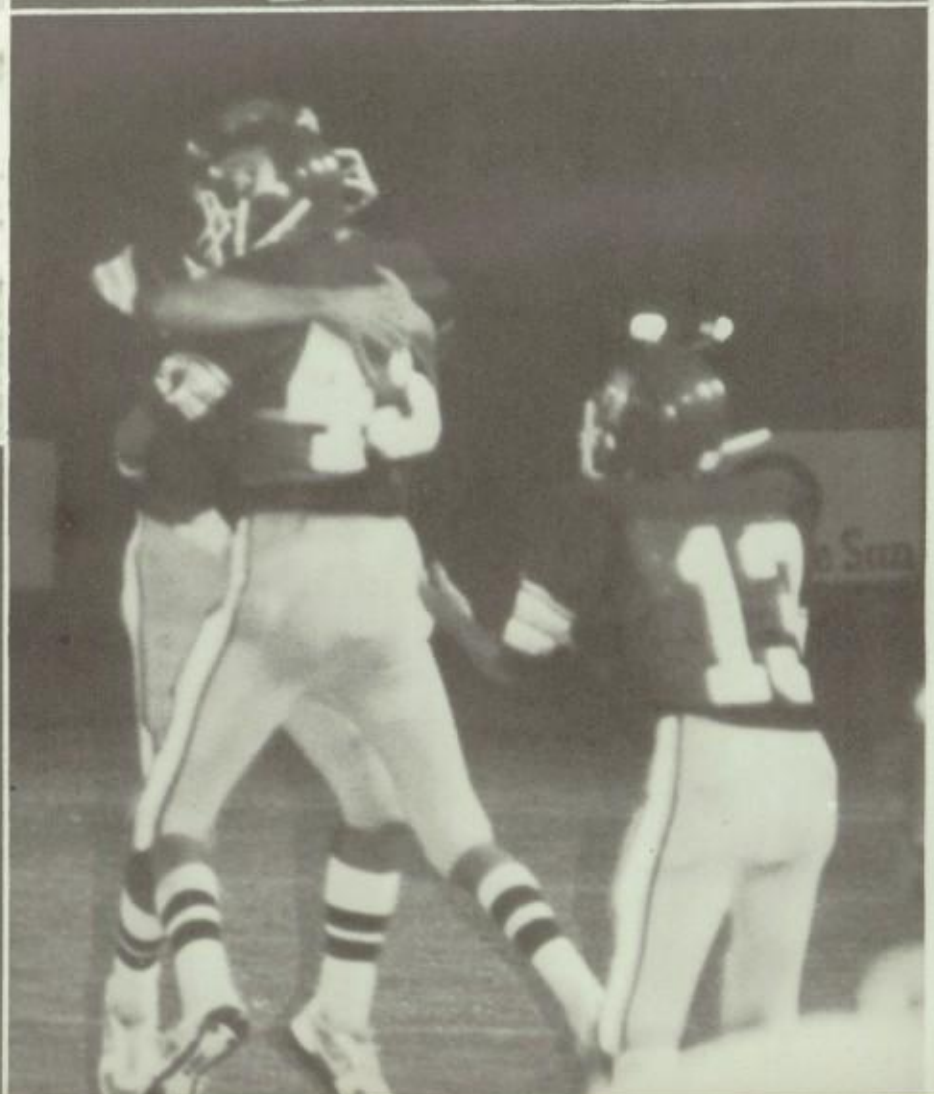

Everywhere you go, someone who
loves you very much, will be
by your side

WINGS STAFF — A PERFECT 10!

The *WINGS* staff met a challenging task in putting together the 10th Anniversary Edition of Lake Howell's yearbook. Under the leadership of Editor Joeline Baker and Assistant Editors, Tracy Blaker and Deb McDyer, the staff worked many long hours. Whether gathering information, taking pictures, designing layouts, or writing copy, each member put forth his best effort. In addition, the various talents of returning staff members and the added creativity of new members are reflected in this year's *WINGS*.

As always, the staff continued to display journalistic quality, and they produced a book dedicated to preserving those very special moments.

Row 1: T. Blaker, D. McDyer, J. Baker. Row 2: P. Souza, L. Haskins, J. MacKenney, R. Sharp, J. Baker, B. Reed, B. Frye, D. Thomas, L. Erdman. Row 3: M. McKim, M. Everett, K. Ottis, P. Hubbs, S. Deacy, K. Carr, D. Matty, C. Likens, S. Wolf, V. Lacombe. Row 4: B. Strudgeon, J. Daniels, T. McNair, R. Wheels, S. Erker, A. Kaplan.

This book is dedicated to all the students of Lake Howell, because without you the school would not be what it is today. The WINGS staff has tried to capture some of the best moments of this year and we all hope you can look back on this book with a lot of happiness.

This book could not have been produced without the hard work and dedication of many people. To Tracy Blaker, I extend my deepest gratitude for all of your help. Without it we couldn't have made all of our deadlines. I thank Dawne Thomas and Deb McDyer for their help with all the "little" things that needed to be handled.

Next I would like to thank Mr. Jim Bolin, our Taylor Publishing Representative. He helped us with his suggestions, as well as putting ours on paper. Thank you!!

To the faculty and administration I extend gratitude for all of your cooperation. A special thanks to Mr. Gaines for his help and understanding with our needs.

Bryn-Alan also deserves a lot of credit in the production of our book. Thank you for all the pictures in our opening section, and for all of your photographer's help.

Also I want to thank all the members of the WINGS staff. You made the production of this book smooth and easier than I expected. You're the best staff anyone could ask for.

Finally I would like to thank Mrs. Sellers, our advisor. She has not only been my yearbook advisor, but a good friend and counselor. To you "Mom" I extend my deepest thanks. I'll miss you!!

To the Class of 1984: I wish each and every one of you the best of luck in life. I hope this book holds good and happy memories of your Senior year.

Enjoy your book!

Editor

Let's Celebrate Ten Perfect Years!

This year Lake Howell celebrates its tenth anniversary, and the yearbook staff is proud to have had the honor of producing this very special edition of *WINGS*.

Our theme this year is: A Perfect Ten. The selection of this theme is based on the belief that the students, faculty, and administration at Lake Howell have always strived for perfection — not only in academics and athletics, but in the creation of lasting friendships as well. For the past ten years Lake Howell has been our home — a place to learn, a place to share good times, and a place to meet people we will remember for years to come.

Happy anniversary Lake Howell — this one's for you!!!
